PMAG® LR/SR GEN M3 308 WIN RIFLE MAGAZINE

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the PMAG® LR/SR GEN M3 308 WIN RIFLE MAGAZINE. This safety instruction guide is designed to ensure your safe usage of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the magazine to understand the safety precautions and proper handling.

General Safety Guidelines

- Ensure the magazine is compatible with your firearm model before use.
- Always handle the magazine with care, treating it as you would any firearm accessory.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear. Do not use if damaged.
- Store the magazine in a cool, dry place away from direct sunlight and extreme temperatures.
- Follow all local laws and regulations regarding the purchase, possession, and use of firearm magazines.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Potential hazards include accidental discharge of the firearm, magazine malfunction, and improper handling.
- **To Avoid Hazards:**
 - Always ensure your firearm is pointed in a safe direction when inserting or removing the magazine.
 - Never load the magazine in a confined space or near others who may not be aware of the handling.
 - Ensure the magazine is fully seated in the firearm before firing.
 - Do not attempt to disassemble the magazine unless instructed by the manufacturer.
 - Avoid overloading the magazine beyond its specified capacity.
- **Age Specific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.
 - Ensure that minors are educated on safe handling practices if they are involved in shooting sports.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the firearm is unloaded and pointed in a safe direction.
 2. Insert the PMAG® LR/SR GEN M3 magazine into the magazine well of the firearm until it clicks into place.
 3. Check that the magazine is securely locked in place before loading ammunition.
- **Usage:**
 - Load the magazine with .308 Winchester ammunition, ensuring not to exceed the 25round capacity.
 - Check the MagLevel™ windows to visually confirm the number of rounds loaded.
 - When ready to fire, ensure the firearm is in a safe condition and follow all standard operating procedures for your firearm.
 - After use, remove the magazine from the firearm and unload any remaining ammunition in a safe manner.

Disposal Instructions

- Dispose of the magazine in accordance with local waste management regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Dispose of it responsibly.
- Consider recycling the polymer material where facilities exist.

Contact Information for Further Support

For any safety inquiries or concerns regarding the PMAG® LR/SR GEN M3 magazine, please refer to the manufacturer's contact information provided in the product packaging or on the manufacturer's website.

Note: This safety instruction guide is intended to provide essential safety information and should not replace comprehensive training in firearms handling and safety. Always seek professional guidance if you are unsure about any procedures or safety measures.
