## Complete Versatility in a Go Bag

The Eberlestock Gunslinger II Pack takes all of the well-regarded features of the company's original Gunslinger Pack and increases its utility for military, law-enforcement and civilian users looking for a do-it-all bag. The Eberlestock Gunslinger II Pack comes equipped with a scabbard that accommodates firearms with larger optics and can work as a solid laptop or radio storage space for those not hiking a firearm for hunting or combat. The pack is also built on the company's Intex-II frame design, which blends the benefits of both internal and external frames for an ideal support solution. Provides 2,100 cubic inches of storage space Total weight: 8.3 pounds External measurements: 22 inches x 10 inches x 8 inches The Eberlestock Gunslinger II Pack also allows users to attach extra gear in the field and features a number of internal organizers.
