

# AR-15 MBUS PRO LR REAR SIGHT - MAGPUL MBUS PRO REAR SIGHT FLIP-UP LR ADJUSTABLE 2.6" STEEL BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

The MBUS Pro LR capitalizes on the low profile and sleek styling of the original MBUS Pro, while adding the additional feature of elevation adjustments to accurately engage targets at variable distances. Built with all steel construction, this is the sighting solution that delivers no-tool adjustments, maximum strength, corrosion resistance, and functionality in a compact package. Positive detents keep the MBUS Pro LR at standard AR sight height when deployed and so low when stowed that you will hardly notice them.

## Attributes

# Safety Instruction Guide for AR15 MBUS PRO LR Rear Sight

## Introduction

Thank you for choosing the AR15 MBUS PRO LR Rear Sight by Magpul. This guide provides essential safety instructions to ensure the safe and effective use of your new sight. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Inspect the sight regularly for any signs of wear or damage.
- Keep the sight clean and free from debris to maintain optimal performance.
- Store the sight in a dry, cool place when not in use.
- Always follow local laws and regulations regarding firearms and accessories.

## Specific Safety Precautions for Use

- Do not use the sight if it is damaged or malfunctioning.
- Always verify that your firearm is unloaded before installing or adjusting the sight.
- Use proper eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Keep the sight out of reach of children and unauthorized users.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Mounting:**
  - Locate the mounting rail on your AR15.
  - Align the MBUS Pro LR Rear Sight with the rail, ensuring it is properly positioned.
  - Secure the sight using the provided mounting hardware, ensuring it is tightened but not overtorqued.
3. **Adjustment:**
  - Deploy the sight by flipping it up until it locks into place.
  - Use the elevation adjustment feature to calibrate the sight for your specific shooting distance.

### Usage

- Deploy the sight when ready to shoot by flipping it up.
- Make any necessary adjustments to the sight before firing.
- After use, stow the sight by flipping it down to its low profile position.

## Disposal Instructions

- Dispose of the sight in accordance with local regulations regarding electronic and metal waste.
- If the sight is damaged beyond repair, ensure it is disposed of in a manner that prevents it from being used improperly.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the AR15 MBUS PRO LR Rear Sight, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your new sight. Thank you for your attention to safety!
