

MILITARY GRADE SOLVENT - BREAKTHROUGH CLEAN 16 OZ SPRAY BOTTLE SOLVENT

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Solvents](#)

Breaks Up Fouling But Safe For Stocks & Finishes

H2O-free, distilled petroleum solvent breaks up fouling for easy cleaning without harming wood, plastics, polymers, Cerakote or hydroprinted finishes. Non-staining and odorless, MGS evaporates completely and leaves no residue behind, so it helps reduce both the duration and frequency of cleaning. Spray bottles make for easy application to patches, brushes, or directly to a surface to be cleaned.

Safety Instruction Guide for MILITARY GRADE SOLVENT BREAKTHROUGH CLEAN 16 OZ SPRAY BOTTLE SOLVENT

Introduction

Thank you for choosing the MILITARY GRADE SOLVENT BREAKTHROUGH CLEAN 16 OZ SPRAY BOTTLE SOLVENT. This product is designed to effectively clean various surfaces without causing damage. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhalation of vapors.
- Keep the product out of reach of children and pets.
- Do not use the product near open flames or sources of ignition.
- Store the product in a cool, dry place away from direct sunlight.
- Check for any visible signs of damage to the spray bottle before use.
- In case of accidental contact with skin or eyes, rinse immediately with plenty of water and seek medical advice if necessary.

Specific Safety Precautions for Use

- Avoid prolonged exposure to skin. Wear gloves if necessary.
- Do not ingest the product. If swallowed, do not induce vomiting; seek medical attention immediately.
- Ensure that the spray nozzle is pointed away from yourself and others during application.
- Use only for the intended purpose as described in the product instructions.
- Do not mix with other cleaning agents or chemicals unless specified.

Instructions for Installation and Usage

1. Preparation:

- Shake the spray bottle gently before use to ensure proper mixing of the solvent.
- Ensure the area to be cleaned is free of dust and debris.

2. Application:

- Hold the spray bottle upright and spray a small amount of the solvent onto a patch, brush, or directly onto the surface to be cleaned.
- Allow the solvent to penetrate the fouling for a few moments to enhance cleaning effectiveness.

3. Cleaning:

- Use a clean cloth or brush to wipe away the fouling. For stubborn residues, reapply the solvent as needed.
- After cleaning, ensure that the surface is dry and free of any solvent residue.

4. PostUse:

- Store the spray bottle in its upright position with the cap securely tightened.
- Dispose of any used cleaning materials in accordance with local regulations.

Disposal Instructions

- Do not dispose of the product in household waste.
- Follow local regulations for the disposal of chemical products.
- If possible, return unused product to the place of purchase for proper disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the product, please refer to the manufacturer's contact details provided on the packaging.

This safety instruction guide is designed to ensure the safe use of the MILITARY GRADE SOLVENT BREAKTHROUGH CLEAN 16 OZ SPRAY BOTTLE SOLVENT in compliance with the EU General Product Safety Regulation (GPSR). Please follow all instructions and guidelines carefully to ensure your safety and the safety of others.
