Safety Instruction Guide for AMMO CRATES

Introduction

Thank you for choosing the AMMO CRATES product line. This guide provides essential safety instructions for the proper use, handling, and disposal of your AMMO CRATES. By following these guidelines, you can ensure a safe experience while storing and transporting your ammunition and related gear.

General Safety Guidelines

- Always keep the crates out of reach of children and unauthorized individuals.
- Inspect the crates regularly for any signs of damage or wear. Do not use damaged crates.
- Ensure that the crates are stored in a dry environment to prevent moisture damage.
- Use the crates only for their intended purpose as described in this manual.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the recommended weight limit of each crate. Refer to the product specifications for details.
- **Stacking:** When stacking crates, ensure they are stable and secure to prevent toppling.
- **Transport:** Use the carry handles provided for safe transport. Avoid lifting crates that are too heavy for you.
- **Water Resistance:** While the crates offer a waterresistant Oring seal, they are not submersible. Avoid exposing them to excessive water or moisture.
- **Locking Mechanism:** Always use the double padlock tabs for added security when storing sensitive items.

Instructions for Installation and Usage

For 5Can Crate (AC15)

1. Open the crate and ensure all five Oring sealed Ammo Can Mini's (AC15) are included.
2. Organize your ammunition according to type and size within the Mini ammo cans.
3. Close the crate securely and use the carry handles for transport.
4. Stackable design allows for safe stacking. Ensure the base is stable.

For 4Can Crate (AC30T)

1. Open the crate and verify that all four Oring sealed 30 Caliber ammo cans (AC30T) are present.
2. Store your bulk ammo in the 30 Caliber cans. Ensure they are closed tightly.
3. Use the tiedown points for securing the crate during transport on an ATV.
4. Stack crates carefully to maintain stability.

For Deep Interior Utility Box

1. Ensure the box is empty and clean before use.
2. Load your gear, ensuring not to exceed the 85 lbs weight capacity.
3. Utilize the molded-in stacking ridges for secure stacking.
4. Attach to ATVs using the four hook points provided.

For Standard Utility Box

1. Open the box and check for any damage.

2. Load your items, ensuring not to exceed the maximum weight.
3. Use the double latches and padlock tabs for security.
4. Store in a dry location to avoid moisture.

For Large Utility Box (ACR12)

1. Open the box and inspect for any damage.
2. Load your shooting or survival gear, ensuring the total weight does not exceed 100 lbs.
3. Use the Oring seal for water resistance.
4. Securely latch the box when not in use.

For Utility Box with Dividers (ACDC30)

1. Open the crate and check for the three removable partitions.
2. Organize your gear using the partitions or remove them for larger items.
3. Ensure the crate is closed securely after loading.
4. Use the heavy lift handles for easy transport.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic waste.
- Do not burn the product or expose it to extreme heat, as it may release harmful substances.
- If the product is no longer usable, consider recycling options where available.

Contact Information for Further Support

For any inquiries or further assistance regarding safety or product information, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can ensure a safe and effective experience with your AMMO CRATES. Thank you for your attention to safety.
