# AMMO CRATES Safety Instruction Guide

## Introduction

Thank you for choosing the AMMO CRATES product range. Our crates are designed for the safe storage and transport of ammunition and other gear. This guide provides essential safety information and instructions to ensure the safe use of our products in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the AMMO CRATES as intended for ammunition storage and transport.
- Ensure that the crates are kept out of reach of children and vulnerable individuals.
- Regularly inspect the crates for any signs of damage or wear. Do not use damaged products.
- Store the crates in a cool, dry place away from direct sunlight to preserve material integrity.
- Use the crates only with compatible ammunition types as specified in the product description.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- When carrying loaded crates, ensure that the weight does not exceed the specified carrying capacity.
- Avoid stacking crates beyond the recommended height to prevent tipping or falling.
- Use the carry handles provided to ensure a secure grip while transporting.
- Always secure the crates during transport to prevent movement or shifting.
- Do not overload the crates with items that exceed their intended use.
- Follow local laws and regulations regarding the storage and transport of ammunition.

## Instructions for Installation and Usage

### • Unpacking the Crate:

- Carefully remove the crate from its packaging.
- Inspect for any visible damage or missing parts before use.

### • Loading the Crate:

- Open the crate and place ammunition or gear inside, ensuring it is organized and securely stored.
- For crates with dividers, utilize them to separate different types of ammunition or gear.

### • Carrying the Crate:

- Use the handles provided to lift and carry the crate.
- Ensure that the crate is balanced and within the weight limit specified.

### • Stacking the Crate:

- When stacking, ensure the base crate is stable and on a flat surface.
- Align the crates properly to prevent them from slipping or falling.

### • Securing the Crate:

- Use the tiedown points for securing the crate during transport on ATVs or vehicles.
- Ensure that the crate is properly latched before moving.

### • Cleaning and Maintenance:

- Clean the exterior of the crate with a damp cloth and mild detergent.
- Do not use harsh chemicals that may damage the crate's material.

## **Disposal Instructions**

- Dispose of the AMMO CRATES responsibly in accordance with local waste disposal regulations.
- If the crate is damaged beyond repair, consider recycling the polypropylene material where facilities exist.
- Ensure that all ammunition is removed from the crate before disposal.

## **Contact Information for Further Support**

For any safety inquiries, concerns, or further assistance, please contact the manufacturer or authorized retailer from whom you purchased the product. Ensure to have your product information and purchase details ready for reference.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your AMMO CRATES. Thank you for your attention to safety, and enjoy the benefits of your new storage solution.
