

AK/AKM 7.62X39 PMAG RANGER PLATE - MAGPUL RANGER PLATE 7.62X39MM FOR PMAG AK/AKM MAGAZINE BLACK 3/PACK

[Magazines](#) > [Rifle Magazines](#) > [Magazine Parts](#) > [Magazine Floor Plates & Extensions](#)

The Magpul PMAG Ranger Plate AK/AKM is a floor plate replacement for all 7.62x39 PMAG magazines that incorporates an integral loop similar to the original Magpul USGI Ranger. The reinforced polymer base has an over molded rubber loop that provides positive control and impact protection. When installed on the base of the magazine, the PMAG Ranger Plate provides unsurpassed speed and control during high stress, tactical magazine changes. The PMAG AK/AKM Ranger replaces standard 7.62x39 PMAG floor plates.

Safety Instruction Guide for Magpul PMAG Ranger Plate AK/AKM

Introduction

Thank you for choosing the Magpul PMAG Ranger Plate AK/AKM. This product is designed to enhance the functionality and control of your 7.62x39 PMAG magazines. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding safety guidelines, usage instructions, and disposal procedures.

General Safety Guidelines

- Always inspect the PMAG Ranger Plate for any signs of damage or wear before each use. Do not use if damaged.
- Keep the PMAG Ranger Plate out of reach of children and unauthorized users.
- Use the PMAG Ranger Plate only with compatible 7.62x39 PMAG magazines.
- Ensure that the magazine is unloaded before installing or removing the Ranger Plate.
- Follow all local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- When handling magazines, always treat them as if they are loaded.
- Avoid placing excessive force on the Ranger Plate during installation or removal to prevent damage.
- Do not use the Ranger Plate in conjunction with any other aftermarket modifications that could compromise safety or functionality.
- Be aware of your surroundings when performing magazine changes, especially in highstress situations.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the magazine is unloaded and the workspace is clear.
2. **Remove the Existing Floor Plate:**
 - Press the floor plate release tab located at the bottom of the magazine.
 - Slide the existing floor plate off the magazine.
3. **Install the PMAG Ranger Plate:**
 - Align the PMAG Ranger Plate with the base of the magazine.
 - Slide the Ranger Plate onto the magazine until it clicks into place, ensuring it is securely attached.
4. **Final Check:** Verify that the Ranger Plate is firmly in place before use.

Usage

- The PMAG Ranger Plate provides enhanced grip and control during magazine changes.
- Practice magazine changes in a safe environment to familiarize yourself with the Ranger Plate's functionality.
- Regularly inspect the Ranger Plate for wear and tear, replacing it if necessary.

Disposal Instructions

- Dispose of the PMAG Ranger Plate in accordance with local regulations for plastic waste.
- Do not incinerate or expose the Ranger Plate to extreme heat, as this may release harmful substances.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact your local distributor.

Thank you for prioritizing safety while using the Magpul PMAG Ranger Plate AK/AKM. Your adherence to these guidelines helps ensure a safe experience for all users.
