Reliable, Low-Profile, Quick-Deploy Backup Sights

Low-profile, flattop-mounted, polymer sights deploy instantly at the touch of a finger to provide backup sighting if a primary optic fails. Streamlined contours mean there's nothing to snag on brush, sling, or other gear when folded. Spring-loaded ambidextrous release mechanism lets you hit the grooved tab on either side of the sight to deploy, and lock it in place. Hitting the same tabs retract the sight when you're done. Uses less than 1" of MIL-STD 1913 Picatinny receiver rail space and locks securely in place with the included steel crossbolt. Provides the same height over bore as standard A2 iron sights. Windage-adjustable rear sight has two apertures: a large, .185" peep and a .070" peep. Designed for AR-type rifles and carbines, fits any weapon with Picatinny rails. Front sight must be mounted on a railed forend on the same plane as the receiver rail to witness correctly with rear sight. Not compatible with railed gas blocks or the MOE handguard.

Safety Instruction Guide for AR15 MBUS GEN 2 Sight Set

Introduction

Thank you for purchasing the AR15 MBUS GEN 2 Sight Set by MAGPUL. This guide provides essential safety instructions to ensure the safe and effective use of your sight set. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that all safety instructions are followed to prevent accidents and injuries.
- Always treat firearms with respect and handle them safely.
- Keep the sight set and all firearms out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of damage or wear before each use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure the firearm is unloaded before installation. Always point the firearm in a safe direction.
- **Deployment:** Deploy the sights only when needed and ensure they are locked in place before use.
- **Retracting Sights:** Always retract the sights after use to prevent snagging on gear or other objects.
- **Compatibility:** Confirm compatibility with your specific firearm model before installation. The sight set is designed for ARtype rifles and carbines with Picatinny rails.
- **Environmental Considerations:** Avoid using the sight set in extreme weather conditions that may affect its performance (e.g., heavy rain, snow, or extreme heat).
- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by an adult.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the Picatinny rail on your AR15.
- Align the sight set with the rail and slide it into position.
- Use the included steel crossbolt to secure the sight set in place. Ensure it is tightened properly to prevent movement during use.

2. Deployment:

- To deploy the rear sight, press the ambidextrous release mechanism located on either side of the sight.
- Ensure the sight is fully deployed and locked in place before aiming.

3. Adjustment:

- Adjust the windage of the rear sight as needed. The rear sight has two apertures: a large .185" peep and a .070" peep.
- Make adjustments while aiming at a safe target to ensure accuracy.

4. Retracting:

- After use, press the same tabs used for deployment to retract the sight back into the folded position.

Disposal Instructions

- Dispose of the sight set in accordance with local regulations for electronic waste or plastic materials.
- Do not dispose of the sight set in regular household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries related to safety or product support, please contact the manufacturer or authorized dealer where you purchased the sight set. Ensure to keep the receipt for warranty and support purposes.

Thank you for prioritizing safety while using the AR15 MBUS GEN 2 Sight Set. Enjoy your shooting experience responsibly!
