Introduction

Thank you for choosing the WORLD OF TARGETS .22 RIMFIRE DUELING TREE. This product is designed for safe and enjoyable shooting experiences with .22 rimfire rifles and handguns. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the shooting area is clear of people and obstacles before use.
- Use the target only in a safe and controlled environment.
- Never shoot at hard surfaces or water to avoid ricochets.
- Always wear appropriate eye and ear protection while shooting.
- Keep the Dueling Tree out of reach of children and unauthorized users.
- Regularly inspect the target for any signs of damage or wear before each use.

Specific Safety Precautions for Use

- Ensure that the target is set up on a stable, flat surface to prevent tipping.
- Do not use the Dueling Tree in windy conditions or extreme weather.
- Only use .22 rimfire ammunition as specified; using other types may cause malfunctions.
- Ensure that all spectators are at a safe distance from the shooting area.
- Do not attempt to modify or repair the target; seek professional assistance if needed.

Instructions for Installation and Usage

1. Installation

- Choose a flat and stable area for setup.
- Assemble the Dueling Tree according to the provided instructions.
- Ensure that the base is securely positioned to prevent tipping during use.

2. Usage

- Stand at a safe distance from the target, typically 10 to 25 yards.
- Aim carefully and ensure that the area behind the target is clear of people and objects.
- Fire at the target, observing the movement of the paddles for feedback.
- After use, ensure the area is clear before approaching the target.

Disposal Instructions

- Dispose of the Dueling Tree in accordance with local regulations regarding metal waste.
- Do not burn or incinerate the product.
- If the product is damaged beyond use, contact local waste management for proper disposal methods.
