

TURBO SONIC CLEANING SOLUTIONS AND ACCESSORIES - LYMAN

TURBO SONIC CASE SOLUTION, 32 OZ.

Cleaning with UltraSonics requires the correct solution for the correct cleaning application. Lyman has partnered with a renowned chemical research team to develop the right solutions for use with today's UltraSonic Cleaners. Lyman's Turbo Sonic case cleaning solution was formulated to deliver premium results in cleaning cases inside and out. Lyman's gun parts solution is the perfect choice for steel and stainless steel parts such as barrels, cylinders or other parts. Available in several sizes to suit your needs. Specifically formulated for ultrasonic use right out of the bottle, Turbo Sonic Gun Lube displaces moisture and penetrates all the hard to reach areas of any part making it ideal for use after ultrasonic cleaning. Formulated for superior firearms lubrication and protection, the lube leaves a dry protective, lubricating film and can be reused repeatedly. Handy 5 Gallon Container for volume users - ideal for Power Pro users! Pouring spout extends for easy pouring with no mess.

TURBO SONIC CLEANING SOLUTIONS AND ACCESSORIES LYMAN TURBO SONIC CASE SOLUTION, 32 OZ.

Introduction

Thank you for choosing Lyman Turbo Sonic Case Solution. This product is designed for effective ultrasonic cleaning of firearm cases and parts. To ensure your safety and the best performance from the product, please read and follow the safety instructions carefully.

General Safety Guidelines

- Ensure safe use by following all instructions provided.
- This product is intended for nonfood use only.
- Always keep the product out of reach of children and vulnerable individuals.
- Be aware of potential hazards associated with the product, including skin and eye irritation.
- If you experience any adverse effects, seek medical attention immediately.
- Regularly check for product recalls and updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not ingest the solution or apply it to food items.
- Always wear appropriate personal protective equipment (PPE) such as gloves and safety goggles when handling the solution.
- Use the solution in a wellventilated area to avoid inhalation of vapors.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Do not mix with other chemicals unless specified in the instructions.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the ultrasonic cleaner is clean and free of any residues from previous uses.
- Fill the ultrasonic cleaner's tank with water according to the manufacturer's guidelines.

2. Dilution:

- For best results, dilute the Turbo Sonic Case Solution with water as instructed on the product label.
- Ensure that you are using the correct dilution ratio for the specific cleaning application.

3. Loading:

- Place the cases or parts to be cleaned into the ultrasonic cleaner's basket.
- Ensure that the items do not touch each other for optimal cleaning performance.

4. Operation:

- Close the ultrasonic cleaner's lid securely.
- Set the appropriate cleaning cycle time and temperature based on the manufacturer's recommendations and the type of items being cleaned.
- Start the ultrasonic cleaner and monitor the process to ensure safety.

5. PostCleaning:

- Once the cleaning cycle is complete, carefully remove the basket from the ultrasonic cleaner.
- Rinse the cleaned items with clean water to remove any residual cleaning solution.
- Dry the items thoroughly before use or storage.

Disposal Instructions

- Dispose of any unused solution and cleaning residues in accordance with local regulations.
- Do not pour the solution down the drain or dispose of it in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support regarding the Lyman Turbo Sonic Case Solution, please refer to the product label for contact details. It is essential to reach out to the appropriate channels for assistance and information regarding the product's safety and usage.

By following these guidelines, you can ensure safe and effective use of the Lyman Turbo Sonic Case Solution. Thank you for your attention to these important safety instructions.
