## TURBO SONIC CASE SOLUTION, 32 OZ.

[Reloading](#) > [Case Cleaning](#) > [Ultrasonic Case Cleaners](#)

Cleaning with UltraSonics requires the correct solution for the correct cleaning application. Lyman has partnered with a renowned chemical research team to develop the right solutions for use with today's UltraSonic Cleaners. Lyman's Turbo Sonic case cleaning solution was formulated to deliver premium results in cleaning cases inside and out. Lyman's gun parts solution is the perfect choice for steel and stainless steel parts such as barrels, cylinders or other parts. Available in several sizes to suit your needs. Specifically formulated for ultrasonic use right out of the bottle, Turbo Sonic Gun Lube displaces moisture and penetrates all the hard to reach areas of any part making it ideal for use after ultrasonic cleaning. Formulated for superior firearms lubrication and protection, the lube leaves a dry protective, lubricating film and can be reused repeatedly. Handy 5 Gallon Container for volume users - ideal for Power Pro users! Pouring spout extends for easy pouring with no mess.

# **TURBO SONIC CLEANING SOLUTIONS AND ACCESSORIES LYMAN TURBO SONIC CASE SOLUTION, 32 OZ. Safety Instruction Guide**

## **Introduction**

Thank you for choosing the Lyman Turbo Sonic Case Solution. This guide provides essential safety instructions and precautions to ensure the safe and effective use of this product. Please read the following information carefully before using the product.

## **General Safety Guidelines**

- Ensure that the product is used in accordance with the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Always use the product in a wellventilated area to avoid inhalation of fumes.
- Do not mix with other chemicals or cleaning agents unless specified.
- In case of accidental contact with skin or eyes, rinse thoroughly with water and seek medical attention if necessary.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.
- Check for any updates or recall notices on the EU's Safety Gate platform to ensure product safety.

## **Specific Safety Precautions for Use**

- Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling the solution.
- Avoid ingestion of the product. If ingested, do not induce vomiting and seek medical assistance immediately.
- Use only for the intended purpose of cleaning cases and gun parts as specified.
- Ensure that the container is properly closed when not in use to prevent leaks and spills.
- Do not use the solution on surfaces that are not compatible with ultrasonic cleaning.
- Follow the manufacturer's instructions regarding dilution and usage ratios.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure that the Ultrasonic Cleaner is clean and free of any previous cleaning solutions.
- Measure the appropriate amount of Lyman Turbo Sonic Case Solution based on the size of the load and the manufacturer's recommendations.

### **2. Filling the Ultrasonic Cleaner:**

- Pour the measured solution into the tank of the ultrasonic cleaner.
- Add water according to the manufacturer's instructions to achieve the desired cleaning solution concentration.

### **3. Loading Items:**

- Place items to be cleaned into the ultrasonic cleaner basket. Ensure they are not overcrowded to allow proper cleaning.
- Ensure that the items are suitable for ultrasonic cleaning to avoid damage.

#### **4. Operating the Ultrasonic Cleaner:**

- Close the lid securely.
- Set the appropriate cleaning time and temperature as recommended by the ultrasonic cleaner's manual.
- Start the cleaning cycle.

#### **5. PostCleaning:**

- Once the cleaning cycle is complete, carefully remove the items using gloves to avoid contact with the cleaning solution.
- Rinse the cleaned items with fresh water to remove any residual cleaning solution.

## **Disposal Instructions**

- Dispose of any unused or expired product in accordance with local regulations.
- Do not pour the solution down the drain unless specifically allowed by local waste disposal regulations.
- Contact local waste management authorities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding product safety, usage, or disposal, please reach out to your local Lyman representative or consult the relevant customer service resources available in your region.

By following these safety instructions, you can ensure the safe and effective use of the Lyman Turbo Sonic Case Solution. Thank you for prioritizing safety in your cleaning practices.
