

TURBO SONIC CLEANING SOLUTIONS AND ACCESSORIES - LYMAN

TURBO SONIC STEEL SOLUTION, 32 OZ.

[Gun Cleaning & Chemicals](#) > [Professional Cleaning Systems](#) > [Ultrasonic Cleaning Solutions](#)

Cleaning with UltraSonics requires the correct solution for the correct cleaning application. Lyman has partnered with a renowned chemical research team to develop the right solutions for use with today's UltraSonic Cleaners. Lyman's Turbo Sonic case cleaning solution was formulated to deliver premium results in cleaning cases inside and out. Lyman's gun parts solution is the perfect choice for steel and stainless steel parts such as barrels, cylinders or other parts. Available in several sizes to suit your needs. Specifically formulated for ultrasonic use right out of the bottle, Turbo Sonic Gun Lube displaces moisture and penetrates all the hard to reach areas of any part making it ideal for use after ultrasonic cleaning. Formulated for superior firearms lubrication and protection, the lube leaves a dry protective, lubricating film and can be reused repeatedly. Handy 5 Gallon Container for volume users - ideal for Power Pro users! Pouring spout extends for easy pouring with no mess.

TURBO SONIC CLEANING SOLUTIONS AND ACCESSORIES

Safety Instruction Guide

Introduction

Thank you for choosing the Lyman Turbo Sonic Steel Solution. This product is designed to provide effective cleaning for gun parts and cases using ultrasonic technology. This safety instruction guide will help you understand how to use the product safely and effectively while complying with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe handling and usage of the product.
- Be aware of potential hazards associated with the product.
- Follow all instructions carefully to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Check for updates on recalls and safety alerts via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling the solution.
- Do not ingest the solution. If swallowed, seek medical attention immediately.
- Avoid contact with skin and eyes. In case of contact, rinse with plenty of water and seek medical advice if irritation persists.
- Use the solution in a wellventilated area to avoid inhalation of fumes.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Ensure that the container is tightly closed when not in use to prevent spills and contamination.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your ultrasonic cleaner is clean and properly set up according to the manufacturer's instructions.
- Fill the ultrasonic cleaner's tank with water to the recommended level.

2. Mixing the Solution:

- Pour the Lyman Turbo Sonic Steel Solution into the ultrasonic cleaner's tank as per the manufacturer's guidelines.
- Follow the recommended dilution ratio if necessary. Refer to the product label for specific instructions.

3. Cleaning Process:

- Place the items to be cleaned into the ultrasonic cleaner's basket.
- Ensure that the items are fully submerged in the solution.
- Set the ultrasonic cleaner to the recommended cleaning time and temperature.
- Start the cleaning cycle.

4. PostCleaning:

- Once the cleaning cycle is complete, carefully remove the items from the cleaner using gloves.
- Rinse the items with clean water to remove any residual solution.
- Dry the items thoroughly before reassembling or using them.

Disposal Instructions

- Dispose of any unused solution and rinsate according to local regulations.
- Do not pour the solution down the drain or dispose of it with regular household waste.
- Check with your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or assistance, please contact the manufacturer or refer to the product label for specific contact details.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with the Lyman Turbo Sonic Steel Solution. Always prioritize safety and compliance with local regulations while using this product. Thank you for choosing Lyman.
