

# TACSLIDE HOLSTERS - GALCO INTERNATIONAL TACSLIDE S&W J FRAME 640 CENT 2 1/8" -BLACK-RIGHT HAND

[Home](#)

Galco's TacSlide™ combines steerhide and Kydex® for a belt holster that is fast, concealable, and very economical! The wide spacing of the 1 3/4" belt slots pulls the handgun in tight to the body for excellent concealment. The TacSlide's silhouetted, belt-slide design accommodates multiple barrel lengths on the same basic frame size while simultaneously minimizing overall bulk. The steerhide backplate is smooth where it rides against the wearer's body, greatly increasing comfort.

# TACSLIDE HOLSTERS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the TACSLIDE Holster by Galco International. This guide provides essential safety information and instructions for the proper use and care of your holster. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always ensure the holster is compatible with your firearm model (Smith & Wesson 640 Cent 2 1/8" in this case).
- Inspect the holster before each use for any signs of wear or damage that could affect its performance.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Do not use the holster for any purpose other than its intended use.
- Always follow safe handling practices when dealing with firearms.

## Specific Safety Precautions for Use

- Ensure your firearm is unloaded before inserting it into the holster.
- Avoid exposing the holster to extreme temperatures or harsh chemicals that may degrade the materials.
- When drawing your firearm from the holster, do so in a controlled manner to avoid accidental discharge.
- Be aware of your surroundings and ensure you have a clear line of sight when drawing your firearm.
- Regularly check the fit of your firearm in the holster to ensure it remains secure.

## Instructions for Installation and Usage

### Installation

1. **Choose a Suitable Belt:** Ensure you have a belt that is at least 1 3/4" wide for proper fit.
2. **Position the Holster:** Place the holster on your belt at your preferred carrying position (e.g., strong side, crossdraw).
3. **Secure the Holster:** Thread your belt through the holster slots, ensuring it is snug against your body.

### Usage

#### • Inserting the Firearm:

1. Ensure the firearm is unloaded.
2. Carefully insert the firearm into the holster, ensuring it is fully seated.

#### • Drawing the Firearm:

1. Grip the firearm firmly with your dominant hand.
2. Use your other hand to stabilize the holster if necessary.
3. Draw the firearm in a smooth motion, keeping the muzzle pointed in a safe direction.

#### • Reholstering:

1. Ensure the firearm is unloaded.
2. Carefully guide the firearm back into the holster without forcing it.

## **Disposal Instructions**

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged beyond repair, consider recycling materials where possible, particularly the Kydex components.

## **Contact Information for Further Support**

For any questions or concerns regarding the TACSLIDE Holster, please refer to the manufacturer's contact information provided with your product or visit their official website for support resources.

By following these guidelines, you can ensure the safe use of your TACSLIDE Holster and enhance your overall experience. Stay safe and responsible while handling your firearm.
