[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

The PMAG GL9 is a GLOCK 9mm handgun magazine featuring Magpul's proprietary all-polymer construction for flawless reliability and durability over thousands of rounds. Meeting the overall length requirements for a competition magazine, the PMAG GL9 offers additional capacity without the need for expensive extensions. Magpul's GLOCK magazines come with many of Magpul's other platform PMAG features, including a high visibility controlled-tilt follower, a stainless steel spring, a floorplate that's easily removable for cleaning, a paint pen dot matrix for magazine marking, ridged floorplate edges for better grip, and capacity indicator windows. The PMAG GL 9 drops free from the firearm whether it's loaded or unloaded. All with the same boring reliability you expect from an OEM magazine. The PMAG GL9 is compatible with all full-size, compact, and sub-compact double-stack GLOCK 9mm variants with some protrusion below the grip. Made in the USA.

**FEATURES HIGHLY COMPATIBLE** Brings added capacity and Magpul reliability to any full-size, compact, or sub-compact 9mm double-stack GLOCK handgun  
**ROUNDS REMAINING INDICATOR** Magazine indicator windows on both sides of the magazine body. **IMPROVED FLOORPLATE** Designed with a flared, easily removable floor plate for efficient operation **EASY IDENTIFICATION** Use the paint pen dot matrix to easily identify your different loads when it's crunch time **RUGGED POLYMER BODY** Durable, lightweight, and extremely stiff polymer construction **ADVANCED FOLLOWER** High visibility controlled-tilt follower **ENGINEERED TO LAST** Long life stainless steel spring for corrosion resistance **SPECS** Caliber: 9x19mm Parabellum Platform: GLOCK® Capacity: 21 rounds or 27 Rounds depending on magazine Compatibility: The PMAG GL9 is compatible with all full-size, compact, and sub-compact double-stack GLOCK 9mm variants with some protrusion below the grip **DISCLAIMER:** "GLOCK" is a federally registered trademark of GLOCK, Inc. and is one of many trademarks owned by GLOCK, Inc. or GLOCK Ges.m.b.H. # PMAG® GL9 9MM LUGER HANDGUN MAGAZINES SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for purchasing the PMAG® GL9 9mm Luger Handgun Magazines for GLOCK®. This guide provides essential safety instructions and usage guidelines to ensure safe handling and operation of your magazine. Please read this document carefully before use.

## General Safety Guidelines

- Always treat the magazine as if it is loaded, even when it is not.
- Keep the magazine out of reach of children and unauthorized users.
- Do not modify the magazine in any way. Alterations can compromise safety and performance.
- Inspect the magazine regularly for signs of wear or damage. Do not use if damaged.
- Always follow the manufacturer's instructions for use and maintenance.
- Store the magazine in a cool, dry place away from direct sunlight and extreme temperatures.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times when inserting or removing the magazine.
- Use only compatible GLOCK® firearms with the PMAG GL9 magazine to avoid safety hazards.
- Do not exceed the specified capacity of the magazine. Overloading can cause malfunctions.
- Be aware of your surroundings and ensure that no one is in close proximity when loading or unloading the magazine.
- Use appropriate eye and ear protection when operating your firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the magazine well until it locks into place. You should hear a click.

### 2. Loading the Magazine:

- Hold the magazine with the follower facing up.
- Insert rounds one at a time into the magazine, ensuring they are seated properly.
- Do not exceed the magazine's capacity of 21 rounds or 27 rounds as applicable.

### 3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Pull the magazine out of the magazine well.

### 4. Unloading the Magazine:

- With the magazine removed from the firearm, carefully remove each round from the magazine.
- Store the rounds in a safe location.

## Disposal Instructions

- Dispose of the magazine according to local regulations and guidelines.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, follow your local waste management guidelines for disposal.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the PMAG GL9, please refer to the manufacturer's website or customer service for assistance.

**Disclaimer:** This guide is intended to promote safe usage of the PMAG GL9 magazine. Always adhere to local laws and regulations regarding firearm and magazine use.
