

# PMAG® GL9"! 9MM LUGER HANDGUN MAGAZINES FOR GLOCK® - MAGPUL PMAG 27 GL9 9MM LUGER 27RD FOR GLOCK BLACK 3/PACK

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

The PMAG GL9 is a GLOCK 9mm handgun magazine featuring Magpul's proprietary all-polymer construction for flawless reliability and durability over thousands of rounds. Meeting the overall length requirements for a competition magazine, the PMAG GL9 offers additional capacity without the need for expensive extensions. Magpul's GLOCK magazines come with many of Magpul's other platform PMAG features, including a high visibility controlled-tilt follower, a stainless steel spring, a floorplate that's easily removable for cleaning, a paint pen dot matrix for magazine marking, ridged floorplate edges for better grip, and capacity indicator windows. The PMAG GL9 drops free from the firearm whether it's loaded or unloaded. All with the same boring reliability you expect from an OEM magazine. The PMAG GL9 is compatible with all full-size, compact, and sub-compact double-stack GLOCK 9mm variants with some protrusion below the grip. Made in the USA.

**FEATURES HIGHLY COMPATIBLE** Brings added capacity and Magpul reliability to any full-size, compact, or sub-compact 9mm double-stack GLOCK handgun  
**ROUNDS REMAINING INDICATOR** Magazine indicator windows on both sides of the magazine body. **IMPROVED FLOORPLATE** Designed with a flared, easily removable floor plate for efficient operation **EASY IDENTIFICATION** Use the paint pen dot matrix to easily identify your different loads when it's crunch time **RUGGED POLYMER BODY** Durable, lightweight, and extremely stiff polymer construction **ADVANCED FOLLOWER** High visibility controlled-tilt follower **ENGINEERED TO LAST** Long life stainless steel spring for corrosion resistance **SPECS** Caliber: 9x19mm Parabellum Platform: GLOCK® Capacity: 21 rounds or 27 Rounds depending on magazine Compatibility: The PMAG GL9 is compatible with all full-size, compact, and sub-compact double-stack GLOCK 9mm variants with some protrusion below the grip **DISCLAIMER:** "GLOCK" is a federally registered trademark of GLOCK, Inc. and is one of many trademarks owned by GLOCK, Inc. or GLOCK Ges.m.b.H. # PMAG GL9 9MM LUGER HANDGUN MAGAZINES SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the PMAG GL9 9mm Luger Handgun Magazines for your GLOCK handgun. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your magazine. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** Always handle magazines and firearms with care. Ensure that you understand the proper operation and handling of your firearm.
- **Enhanced Recalls:** Stay informed about any recalls related to the PMAG GL9. Check the EU's Safety Gate platform for updates.
- **Online Shopping:** When purchasing online, ensure that you are buying from authorized and reputable sellers to guarantee product safety.
- **Special Consumer Focus:** Keep magazines out of reach of children and vulnerable individuals. Educate all users on safe handling practices.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer or retailer from whom you purchased the product.
- **Rapid Alerts:** Be aware of any alerts regarding unsafe products and take appropriate action if notified.

## Specific Safety Precautions for Use

- **Loading:** Always ensure that the firearm is pointed in a safe direction when loading or unloading the magazine.
- **Inspection:** Regularly inspect the magazine for any signs of damage or wear. Do not use a damaged magazine.
- **Compatibility:** Ensure that the PMAG GL9 is compatible with your specific GLOCK model before use.
- **Storage:** Store magazines in a cool, dry place, away from direct sunlight and moisture.
- **Transportation:** When transporting firearms and magazines, ensure they are stored securely and comply with local laws and regulations.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Place the magazine on a flat surface.
- Press down on the follower and insert rounds one at a time, ensuring they are seated properly.
- Do not exceed the magazine's capacity.

### 2. Inserting the Magazine into the Firearm:

- Hold the firearm in a safe position.
- Align the magazine with the magazine well.
- Firmly push the magazine into the well until it clicks into place.

### 3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button and gently pull the magazine out of the firearm.

#### **4. Cleaning the Magazine:**

- Remove the magazine from the firearm.
- Disassemble the magazine by removing the floor plate.
- Clean the magazine body and follower with a soft cloth. Avoid using harsh chemicals.
- Reassemble the magazine after cleaning and ensure all components are secure.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, dispose of it safely to prevent accidental use.

## **Contact Information for Further Support**

For any additional questions or concerns regarding the PMAG GL9, please refer to the manufacturer or retailer from whom you purchased the product for assistance.

By following these guidelines, you can ensure the safe and effective use of your PMAG GL9 9mm Luger Handgun Magazines. Thank you for prioritizing safety!
