

PMAG® 7.62 AC 308 WINCHESTER MAGAZINE FOR AICS SHORT ACTION - PMAG 5 7.62 AC 308 WINCHESTER 5RD FOR AICS SA BLK 3/PACK

The PMAG 5 7.62 AC and PMAG 10 7.62 AC are a reliable and durable polymer magazine for .308 Winchester-based family of cartridges and is compatible with short action AICS-spec bottom metal, to include the Bolt Action Magazine Well for the Hunter 700 Stock. Compatible with short action AICS-spec bottom metal, to include the Bolt Action Magazine Well for the Hunter 700 Stock, the PMAG 5 and 10 7.62 AC magazines bring additional capacity in an affordable and reliable package. Featuring GEN M3® technology, a paint-pen dot matrix for visual identification, and a flared base plate for positive control and ease of retrieval, the PMAG 10 7.62 AC sets a new standard for bolt action magazines. FEATURES RUGGED POLYMER BODY WITH AN IMPROVED FLOORPLATE

Next-generation impact and crush-resistant polymer construction Flared and removable floorplate aids magazine handling and is easy to disassemble for maintenance ADVANCED FOLLOWER Self-lubricating follower for increased reliability Modifiable follower leg can be easily clipped to increase the capacity by one extra cartridge Includes a long-life stainless steel spring EASY

IDENTIFICATION Utilize the paint pen dot matrix to easily identify magazines with different loadouts Made in the USA. SPECS Caliber: 7.62x51mm / .308 Winchester Capacity: 5 or 10 Round depending on magazine Compatibility Compatible with short action AICS (Accuracy International Chassis Systems) pattern bottom metal and cartridges built on a 0.470" case head such as 7.62x51/.308 Winchester, 7mm-08 Remington, 6.5mm Creedmoor, .260 Remington, .243 Winchester, and others* *PLEASE NOTE: Not compatible with smaller base diameter cartridges such as .220 Swift, .223 Remington, .300 AAC Blackout, etc. or larger short action magnums. In addition, due to the wide variety and potential combinations of aftermarket receivers, stocks, chassis, and bottom metal that accept AICS pattern mags, minor fitting may be required. Not compatible with Accuracy International AE rifles or semi-auto platforms utilizing SR25/M110 pattern magazines. The Sig Cross rifles ship with a Magpul PMAG 5 7.62 AC that has a proprietary sled follower for optimized single-round loading through the ejection port. The standard PMAG 5 7.62 AC (MAG549) and PMAG 5 7.62 AC (MAG579) are compatible with the Sig Cross, and feeding performance will be the same from the Sig Cross OEM Magpul magazine or the standard Magpul PMAG 7.62 AC magazines. The original PMAG 5 7.62 AC magazine, identified by its green lock plate and follower, was optimized for the .308 Winchester based family of cartridges and is compatible with short action AICS-spec bottom metal, to include the Bolt Action Magazine Well for the Hunter 700 Stock, and performed well with most non-.308 based cartridges in nearly all applications. Some three lug bolt action rifle platforms, such as the Ruger American Rifle®, presented some occasional feeding concerns when used with the standard green follower PMAG 5 7.62 AC magazine. Magpul have made an inline change to a new design of spring and follower. The revised PMAG 5 7.62 AC magazine, easily identified with its brown lock plate and follower, has been optimized to ensure complete Magpul reliability with a broad range of calibers in the Ruger American Rifle® and other 3-lug bolt designs, while maintaining or improving the proven Magpul reliability in Remington® 700 footprint platforms and other 2-lug bolt action designs. For the Hunter American stock, Magpul recommend using only the new, brown follower magazines, in calibers like 6.5 Creedmoor. All other actions, and the Ruger in .308, can use either version interchangeably.

Attributes

- Name: PMAG 5 7.62 AC 308 WINCHESTER 5RD FOR AICS SA BLK 3/PACK
- Manufacturer: MAGPUL
- Product no.: 100023188

PMAG® 7.62 AC 308 Winchester Magazine Safety Instruction Guide

Introduction

Thank you for choosing the PMAG® 7.62 AC 308 Winchester Magazine. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your magazine. Please read this document carefully before use.

General Safety Guidelines

- Always handle magazines with care and treat them as if they are loaded.
- Store magazines in a safe, dry place away from children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Ensure that the magazine is compatible with your firearm model before use.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

Specific Safety Precautions for Use

- **Compatibility Check:** Ensure that the PMAG® 7.62 AC is compatible with your firearm's AICS (Accuracy International Chassis Systems) bottom metal.
- **Loading Ammunition:** Only use .308 Winchesterbased cartridges and compatible calibers as specified in the product details.
- **Avoid Overloading:** Do not exceed the magazine's capacity of 5 or 10 rounds to prevent malfunctions.
- **Inspect Before Use:** Check the magazine for any obstructions or foreign objects before loading.
- **Safe Handling:** Always keep the firearm pointed in a safe direction when loading or unloading the magazine.
- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Keep out of reach of children.

Instructions for Installation and Usage

1. Loading the Magazine:

- Hold the magazine in one hand and use the other hand to load cartridges into the magazine.
- Ensure that the cartridges are oriented correctly, with the bullet facing forward.
- Press down on the cartridge until it clicks into place.

2. Inserting the Magazine:

- Align the magazine with the magazine well of your firearm.
- Push the magazine firmly into the magazine well until it clicks into place.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on your firearm.
- Pull the magazine out of the magazine well.

4. Maintenance:

- Regularly clean the magazine with a soft cloth to remove dirt and debris.
- Inspect the follower and spring for wear and replace if necessary.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond repair, ensure it is rendered unusable before disposal.
- Do not dispose of magazines in regular household waste; check with local authorities for proper disposal methods.

Contact Information for Further Support

- For safety inquiries or further assistance, please refer to the manufacturer's website or customer service contact details provided with your product.

By following these guidelines and instructions, you can ensure the safe and effective use of your PMAG® 7.62 AC 308 Winchester Magazine. Thank you for your attention to safety.
