

PMAG® 7.62 AC 308 WINCHESTER MAGAZINE FOR AICS SHORT ACTION - PMAG 5 7.62 AC 308 WINCHESTER 10RD FOR AICS SA BLK 3/PACK

The PMAG 5 7.62 AC and PMAG 10 7.62 AC are a reliable and durable polymer magazine for .308 Winchester-based family of cartridges and is compatible with short action AICS-spec bottom metal, to include the Bolt Action Magazine Well for the Hunter 700 Stock. Compatible with short action AICS-spec bottom metal, to include the Bolt Action Magazine Well for the Hunter 700 Stock, the PMAG 5 and 10 7.62 AC magazines bring additional capacity in an affordable and reliable package. Featuring GEN M3® technology, a paint-pen dot matrix for visual identification, and a flared base plate for positive control and ease of retrieval, the PMAG 10 7.62 AC sets a new standard for bolt action magazines. FEATURES RUGGED POLYMER BODY WITH AN IMPROVED FLOORPLATE

Next-generation impact and crush-resistant polymer construction Flared and removable floorplate aids magazine handling and is easy to disassemble for maintenance ADVANCED FOLLOWER Self-lubricating follower for increased reliability Modifiable follower leg can be easily clipped to increase the capacity by one extra cartridge Includes a long-life stainless steel spring EASY IDENTIFICATION Utilize the paint pen dot matrix to easily identify magazines with different loadouts Made in the USA. SPECS Caliber: 7.62x51mm / .308 Winchester Capacity: 5 or 10 Round depending on magazine Compatibility Compatible with short action AICS (Accuracy International Chassis Systems) pattern bottom metal and cartridges built on a 0.470" case head such as 7.62x51/.308 Winchester, 7mm-08 Remington, 6.5mm Creedmoor, .260 Remington, .243 Winchester, and others* *PLEASE NOTE: Not compatible with smaller base diameter cartridges such as .220 Swift, .223 Remington, .300 AAC Blackout, etc. or larger short action magnums. In addition, due to the wide variety and potential combinations of aftermarket receivers, stocks, chassis, and bottom metal that accept AICS pattern mags, minor fitting may be required. Not compatible with Accuracy International AE rifles or semi-auto platforms utilizing SR25/M110 pattern magazines. The Sig Cross rifles ship with a Magpul PMAG 5 7.62 AC that has a proprietary sled follower for optimized single-round loading through the ejection port. The standard PMAG 5 7.62 AC (MAG549) and PMAG 5 7.62 AC (MAG579) are compatible with the Sig Cross, and feeding performance will be the same from the Sig Cross OEM Magpul magazine or the standard Magpul PMAG 7.62 AC magazines. The original PMAG 5 7.62 AC magazine, identified by its green lock plate and follower, was optimized for the .308 Winchester based family of cartridges and is compatible with short action AICS-spec bottom metal, to include the Bolt Action Magazine Well for the Hunter 700 Stock, and performed well with most non-.308 based cartridges in nearly all applications. Some three lug bolt action rifle platforms, such as the Ruger American Rifle®, presented some occasional feeding concerns when used with the standard green follower PMAG 5 7.62 AC magazine. Magpul have made an inline change to a new design of spring and follower. The revised PMAG 5 7.62 AC magazine, easily identified with its brown lock plate and follower, has been optimized to ensure complete Magpul reliability with a broad range of calibers in the Ruger American Rifle® and other 3-lug bolt designs, while maintaining or improving the proven Magpul reliability in Remington® 700 footprint platforms and other 2-lug bolt action designs. For the Hunter American stock, Magpul recommend using only the new, brown follower magazines, in calibers like 6.5 Creedmoor. All other actions, and the Ruger in .308, can use either version interchangeably.

Attributes

- Name: PMAG 5 7.62 AC 308 WINCHESTER 10RD FOR AICS SA BLK 3/PACK
- Manufacturer: MAGPUL
- Product no.: 100023189

PMAG® 7.62 AC 308 WINCHESTER MAGAZINE

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the PMAG® 7.62 AC 308 Winchester Magazine. This guide provides essential safety instructions to ensure the safe use and handling of your magazine. Please read this document carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of the magazine by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any product recalls. Check the EU Safety Gate platform for updates regarding safety notices.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored out of reach of minors.
- **EU Contact Point:** For any safety inquiries regarding this product, please refer to the designated EU-based contact point provided by the retailer.
- **Rapid Alerts:** Be aware of updates on potential safety issues via the Safety Gate system.

Specific Safety Precautions for Use

- **Compatibility:** Ensure the magazine is compatible with your firearm. It is designed for use with short action AICS-spec bottom metal and specific cartridges.
- **Inspection:** Regularly inspect the magazine for any signs of damage, wear, or malfunction before use.
- **Loading:** Follow the instructions for loading cartridges carefully to avoid jams or misfeeds. Ensure the follower is correctly positioned.
- **Handling:** Always handle the magazine with care. Avoid dropping it or exposing it to extreme temperatures.
- **Storage:** Store the magazine in a cool, dry place away from direct sunlight and moisture.
- **Transport:** When transporting, ensure the magazine is empty and securely stored to prevent accidental discharge.

Instructions for Installation and Usage

1. Loading the Magazine:

- Ensure the magazine is clean and free from debris.
- Hold the magazine with the base plate facing down.
- Insert cartridges into the magazine, starting from the rear and pushing forward until they are seated properly.
- Do not exceed the magazine capacity (5 or 10 rounds depending on the model).

2. Installing the Magazine in the Firearm:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Press the magazine firmly into the well until it clicks into place.
- Ensure it is securely attached before use.

3. Removing the Magazine:

- With the firearm pointed in a safe direction, press the magazine release button.
- Gently pull the magazine downward to remove it from the firearm.
- Inspect the magazine for any issues before reloading or storing.

4. Maintenance:

- Clean the magazine regularly using a soft cloth and appropriate cleaning solution.
- Avoid using harsh chemicals that could damage the polymer material.
- Check the spring and follower for proper function and replace if necessary.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding plastic and metal waste.
- If the magazine is damaged or no longer functional, ensure it is disposed of in a manner that prevents accidental use.

Contact Information for Further Support

For any further questions or concerns regarding the PMAG® 7.62 AC 308 Winchester Magazine, please refer to the retailer from whom you purchased the product. They can provide you with additional support and information.

By following these safety instructions, you can ensure the safe and effective use of your PMAG® 7.62 AC 308 Winchester Magazine. Thank you for your attention to safety.
