

# AMMO CAN W/ 10-PK 30-RD PMAGS - BROWNELLS AMMO CAN W/ 10-PK 30-RD PMAGS

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Always ready for quick transport, Tactical Mag Cans offer a protected method of storage for loaded magazines. Each mag is individually secured with ridged precut foam padding to prevent bumping, sliding and scratching. Box shuts tight with an O-ring seal and solid latching system. Security tabbed for two padlocks. Molded-in stacking ridges for slip resistant stacking. Comfortable handle for when you're bugging out. Designed to hold 20 or 30 round 223/5.56 AR15 magazines in precut foam padding Stackable design and triple padlock tabbed for security Water-resistant O-ring seal for dry storage; Non-submersible Capacity: 15 And to get you started we have paired this ammo can with a 10-pack of 30-Rd Magpul PMAGs! Exceptionally rugged, combat- and competition-ready magazine functions flawlessly, even when left fully loaded for extended periods. Corrosion-proof, self-lubricating one-piece body of fiber-reinforced, molded polymer has no spot welds or joints to impair the follower, and the constant internal curve ensures smooth, unobstructed movement of the round stack. Anti-tilt follower stabilizes the stack to help prevent nose-diving and bolt-over-head failures. Heat-treated, stainless steel spring is stress-relieved for optimal performance. Withstands the heat from prolonged full-auto fire and is not harmed by most bore cleaners and solvents. Exterior ribbing provides added gripping surface; magazine catch notch, rather than a traditional hole, keeps dirt and debris out. Easy-to-grasp ledge on floorplate aids in extracting magazine from pouches; floorplate removes easily for cleaning. All models available in Black. DO NOT COME WITH DUST COVERS.

## Attributes

- Name: [BROWNELLS AMMO CAN W/ 10-PK 30-RD PMAGS](#)

# Safety Instruction Guide for AMMO CAN W/ 10PK 30RD PMAGS

## Introduction

Thank you for choosing the AMMO CAN W/ 10PK 30RD PMAGS. This product is designed for safe and secure storage of magazines. It is essential to follow the safety instructions outlined in this guide to ensure optimal use and to minimize any risks associated with the product.

## General Safety Guidelines

- Always ensure that the ammo can is used in accordance with the manufacturer's instructions.
- Inspect the ammo can and magazines for any visible damage before use.
- Store the ammo can in a cool, dry place away from direct sunlight and moisture.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended capacity of the ammo can.
- **Proper Handling:** Use the comfortable handle when transporting the ammo can. Avoid lifting with excessive weight.
- **Secure Storage:** Always close the ammo can tightly using the Oring seal and solid latching system.
- **Locking Mechanism:** Utilize the security tab for padlocks to enhance safety and prevent unauthorized access.
- **Moisture Control:** Ensure that the ammo can remains waterresistant and dry; do not submerge it in water.
- **Avoid Heat Sources:** Keep the ammo can away from open flames or hightemperature environments.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the ammo can is clean and dry before storing magazines.
- Check that the precut foam padding is intact and properly positioned.

### 2. Loading Magazines:

- Place each magazine into the ammo can, ensuring it is secured within the foam padding.
- Ensure that magazines are oriented correctly to prevent damage.

### 3. Sealing the Ammo Can:

- Close the lid firmly, ensuring the Oring seal is properly seated.
- Engage the latches securely to prevent accidental opening.

### 4. Transporting the Ammo Can:

- Use the handle to carry the ammo can. Ensure that it is balanced and not overloaded.

### 5. Storage:

- Store the ammo can in a designated area that is safe and secure.

- Avoid stacking other items on top of the ammo can to prevent damage.

## **Disposal Instructions**

- Dispose of the ammo can and magazines in accordance with local regulations.
- If the product is no longer usable, consider recycling if facilities are available.
- Ensure that any magazines are emptied and cleaned before disposal.

## **Contact Information for Further Support**

For any safety inquiries, please refer to the EU-based contact point provided with your product packaging or visit the manufacturer's website for additional resources.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your AMMO CAN W/ 10PK 30RD PMAGS. Thank you for your attention to safety!
