## Unique Fluting Bolsters Rigidity, Promotes Cooling To Combat Heat Warpage

"Flame" Match Barrels for Glock® 34 from Faxon Firearms have innovative, variable-depth fluted "flames" that give your pistol a unique appearance, and more importantly give extra rigidity and help dissipate heat. This results in a barrel that's highly resistant to accuracy drift due to heat warpage - just what you're looking for in a hard-running action competition pistol. Faxon Flame Match Barrels for Glock® 34 are meticulously machined from triple stress-relieved 416R stainless steel to tighter tolerances than factory barrels to ensure consistent, secure lockup and, consequently, tighter groups. Muzzles have a meticulously cut 11° target crown to ensure the bullet departs on a true trajectory. Fits G34 Gen 1-4 pistols Available with a plain, unthreaded muzzle OR with 1/2"-28 tpi threads for a sound suppressor or compensator 9mm SAAMI-spec chamber and 1-10" twist conventional rifling handle any type of projectile - jacketed, heavy subsonics, even cast-lead practice bullets Hard, black Nitride finish for superb resistance to surface wear Almost as a bonus, the Faxon Flame Match Barrel for Glock® 34 typically drops right into a factory-spec slide, no gunsmith fitting needed, for an immediate custom barrel job.

# Safety Instruction Guide for Faxon Firearms Competition Match Flame Barrels for Glock® 34

## Introduction

Thank you for choosing the Faxon Firearms Competition Match Flame Barrel for your Glock® 34. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the barrel is compatible with your Glock® 34 model (Gen 14).
- Always handle firearms and components with care. Treat every firearm as if it is loaded.
- Store your barrel in a safe location, out of reach of children and unauthorized users.
- Regularly inspect your barrel for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- Use only 9mm Luger ammunition with this barrel.
- Avoid using damaged or improperly stored ammunition.
- Never attempt to modify the barrel or any firearm components beyond manufacturer specifications.
- If you experience any malfunctions or irregularities during use, cease operation immediately and consult a qualified gunsmith.
- Ensure that all safety features of your Glock® 34 are functioning correctly before use.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory barrel from your Glock® 34 by following the manufacturer's instructions.
- Carefully insert the Faxon Flame Barrel into the slide, ensuring it fits securely.
- If applicable, attach any muzzle devices (such as a suppressor) according to the manufacturer's instructions.
- Confirm that the barrel is properly seated and locked in place.

### 2. Usage

- Load your firearm with 9mm Luger ammunition only.
- Always wear appropriate eye and ear protection when firing.
- Maintain a proper shooting stance and ensure your target area is safe before firing.
- After use, clean your barrel and firearm according to the manufacturer's recommendations to maintain performance and safety.

## Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- If you need to dispose of the barrel, check with local authorities for proper disposal methods, as some components may require special handling.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your Faxon Firearms Competition Match Flame Barrel, please consult the manufacturer's website or contact their customer support team for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Faxon Firearms Competition Match Flame Barrel for Glock® 34. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
