Optimal Balance of Weight & Rigidity for Excellent Accuracy Potential

The Faxon Big Gunner 6.5 Creedmoor rifle barrel offers an excellent balance of maneuverable weight and accuracy potential. Faxon machines each Big Gunner barrel from triple stress-relieved 416R stainless steel, and finishes it with a tough, wear-resistant matte black QPQ Nitride finish. Faxon's Big Gunner 6.5 Creedmoor rifle barrel profile is a blend of Faxon's Government and Pencil profiles, matching the Gov't taper from the extension to the gas block, with a Pencil profile from the block to the muzzle. Removing the weight from the front mitigates muzzle whip, while keeping material at the rear maximizes rigidity and resistance to heat distortion. It keeps the center of gravity to the rear, making the rifle more maneuverable. Fits a DPMS LR-308 pattern upper receiver Available in 18" and 20" lengths Uses standard rifle length gas tube 5R rifling with 1-8" twist for accuracy & easy cleaning QPQ Nitride coated inside & out 11° target crowned muzzle 5/8"-24 threaded muzzle is suppressor ready To ensure you have the best barrel possible, each Faxon Big Gunner 6.5 Creedmoor rifle barrel goes through a battery of tests at each operation until final inspection. Barrels are individually checked for headspace by precision custom hardened gauges.

Safety Instruction Guide for AR15 Big Gunner Barrels 6.5 Creedmoor

Introduction

Thank you for choosing the Faxon Firearms Big Gunner 6.5 Creedmoor rifle barrel. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and usage to maximize your safety and the performance of your barrel.

General Safety Guidelines

- Ensure that you are familiar with the basic principles of firearm safety before handling this product.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the barrel and firearm securely to prevent unauthorized access, especially by children.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Use only compatible components and ammunition as specified by the manufacturer.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended specifications for ammunition and barrel use.
- Avoid using the barrel in conditions that may lead to overheating.
- Ensure that the barrel is properly installed and secured before firing.
- Wear appropriate eye and ear protection while using the firearm.
- Be aware of your surroundings and ensure that your shooting area is safe and free of obstructions.
- Do not modify the barrel in any way that could compromise its safety or performance.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the upper receiver following the manufacturer's instructions.
- Clean the upper receiver and ensure that there are no debris or obstructions.
- Align the Faxon Big Gunner barrel with the upper receiver and ensure a proper fit.
- Secure the barrel using the appropriate tools and torque specifications as provided by the manufacturer.
- Check that the gas block is properly installed and aligned.

2. Usage:

- Load the firearm with ammunition that is compatible with the 6.5 Creedmoor cartridge.
- Before firing, conduct a final inspection to ensure that the barrel is securely attached and that there are no obstructions in the barrel.
- Fire the firearm in a safe and controlled environment, following all local laws and regulations.
- After use, clean the barrel to maintain its performance and longevity.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding hazardous materials.
- If the barrel is damaged or no longer usable, consider returning it to the manufacturer for proper disposal.
- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding your Faxon Big Gunner barrel, please refer to the manufacturer's contact details provided with your product packaging or visit their official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Faxon Firearms Big Gunner 6.5 Creedmoor rifle barrel. Always prioritize safety and responsibility when handling firearms.
