

SIG P320 9MM FULL SIZE BARRELS - Sig P320 Full-Size Barrel 9mm Black

Direct Drop-In Aftermarket Barrels

Brownells SIG Sauer P320 9mm full-size barrels provide a new level of aftermarket support for owners of SIG's popular modular pistol platform, giving them the chance to do more and perform better with their handgun. The Brownells Sig Sauer P320 9mm full-size barrels are completely made in the United States from solid bar stock of 416-R certified stainless steel. The steel is completely relieved of all stresses and are threaded for suppressor use. Rifled with 1:10 twist rate Features 11-degree target crown Thread pitch: 1/2x28 TPI Nitride-treated for corrosion resistance DOES NOT COME WITH THREAD PROTECTORS The Brownells Sig Sauer P320 9mm full-size barrels also features conventional land-and-groove rifling instead of polygonal rifling.

Safety Instruction Guide for SIG P320 9MM Full Size Barrels

Introduction

Thank you for choosing the SIG P320 9MM Full Size Barrels. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. It is crucial to read and understand this information to prevent accidents and ensure optimal performance.

General Safety Guidelines

- Ensure that the barrel is compatible with your SIG P320 model before installation.
- Always handle firearms and firearm components with care and responsibility.
- Store the barrel in a safe place, away from children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage.
- Use appropriate protective gear, such as safety glasses and hearing protection, when using the firearm.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Always treat every firearm as if it is loaded.
- Never point the firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to fire.
- Ensure the firearm is pointed in a safe direction when loading or unloading.
- Use only the specified ammunition (9mm Luger) for your barrel.
- Do not use the barrel if it shows signs of damage or excessive wear.
- Avoid using the barrel with suppressors or other attachments unless specified.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded before beginning installation.
- Remove the slide from the frame of the SIG P320.
- Remove the existing barrel from the slide.
- Insert the new SIG P320 9MM Full Size Barrel into the slide.
- Ensure the barrel is seated properly and securely in place.
- Reattach the slide to the frame of the firearm.
- Perform a function check to ensure proper assembly.

2. Usage

- Before firing, ensure the firearm is in proper working order.
- Follow all firearm safety practices when using the firearm.
- Clean the barrel regularly to maintain performance and reliability.
- If experiencing any malfunctions, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations for hazardous materials.
- Do not dispose of the barrel in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding your SIG P320 9MM Full Size Barrels, please contact the manufacturer or your local authorized dealer for assistance. They can provide you with the necessary support and guidance.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your SIG P320 9MM Full Size Barrels. Always prioritize safety and responsibility in all your firearmrelated activities. Thank you for your attention and for choosing our product.
