Snap Safe XXL Large Lock Box Safety Instructions

Introduction

Thank you for choosing the Snap Safe XXL Large Lock Box. This lock box is designed to provide secure storage for handguns and other valuables, whether at home or while traveling. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the lock box is used only for its intended purpose: to store handguns and valuables securely.
- Keep the lock box out of reach of children and vulnerable individuals.
- Regularly inspect the lock box and its components for signs of wear or damage.
- Do not use the lock box if it is damaged or if any components are missing.
- Always follow local laws and regulations regarding the storage of firearms and valuables.

Specific Safety Precautions for Use

- When storing firearms, ensure that they are unloaded and stored in accordance with local laws.
- Use the heavy steel cable provided to secure the lock box to a stationary object to prevent theft.
- Avoid exposing the lock box to extreme temperatures or moisture, which may affect its integrity.
- Do not place excessive weight inside the lock box beyond its specified capacity (1 handgun).
- Ensure that the lock box is closed and locked when not in use.

Instructions for Installation and Usage

1. Choosing a Location

- Select a secure and discreet location for the lock box, such as a closet, drawer, or vehicle.
- Ensure that the location allows easy access while maintaining security.

2. Securing the Lock Box

- Use the included heavy steel cable to secure the lock box to a stationary object, such as a car seat or the internal frame of luggage.
- Make sure the cable is tightly fastened and cannot be easily removed.

3. Storing Items

- Place the unloaded firearm and any other valuables inside the lock box.
- Use the quality foam interior for additional protection of your items.
- Close and lock the lock box after use.

4. Regular Maintenance

- Periodically check the lock box for any signs of wear and ensure that the locking mechanism is functioning properly.
- Clean the exterior and interior with a soft, dry cloth to maintain its condition.

Disposal Instructions

- When disposing of the lock box, follow local regulations for the disposal of steel products.
- If the lock box is damaged beyond repair, ensure that it is disposed of in a way that prevents unauthorized access to any stored items.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact the appropriate EUbased contact point or local authority.

Thank you for taking the time to read and understand these safety instructions. Your safety and the security of your valuables are our top priorities. Please use the Snap Safe XXL Large Lock Box responsibly.
