Safety Instruction Guide for LuthAR AR15 MBA3/MBA4 Carbine Castle Nut

Introduction

Thank you for choosing the LuthAR AR15 MBA3/MBA4 Carbine Castle Nut. This product is designed to be a reliable and durable component for your carbine buffer kits. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms and related components with care and responsibility.
- Ensure that the product is compatible with your specific firearm model before installation.
- Inspect the product for any visible damage or defects prior to use.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for recall updates on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use only with MilSpec or Commercial Carbine receiver extensions to avoid compatibility issues.
- Do not exceed the manufacturer's recommended torque specifications during installation.
- Ensure that the castle nut is properly tightened to prevent loosening during use.
- Avoid using the product in extreme environmental conditions without proper evaluation.
- Regularly inspect the castle nut for signs of wear or damage, replacing it if necessary.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools, including a wrench suitable for tightening the castle nut.
- Make sure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps:

- Align the castle nut with the receiver extension and handtighten it initially.
- Use the wrench to tighten the castle nut to the manufacturer's recommended torque specification.
- If applicable, install the appropriate locking mechanism to secure the castle nut in place.

3. PostInstallation Check:

- After installation, visually inspect the castle nut to ensure it is securely fastened.
- Test the functionality of the buffer system to ensure proper operation.

4. Usage:

- Regularly check the castle nut during routine maintenance to ensure it remains secure.
- If you notice any movement or loosening, stop using the firearm immediately and retighten the castle nut.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.

- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please reach out to the manufacturer or a qualified professional.

Thank you for prioritizing safety with the LuthAR AR15 MBA3/MBA4 Carbine Castle Nut. Your responsible usage ensures a safer experience for everyone.
