

HELLFIRE MUZZLE BRAKE - AREA 419 HELLFIRE 6.5MM (25-6.5MM) MUZZLE BRAKE, STAINLESS

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Brings a Unique Design to the Firearm Market

Adding a muzzle brake to your rifle helps reduce recoil and enhance control, making shooting more fun and enjoyable than it is already (if that's possible). The Area 419 Hellfire Muzzle Brake was built from the ground up to enhance a number of guns, thanks to a unique design. The Area 419 Hellfire Muzzle Brake isn't just any standard muzzle brake. The self-timing design installs easily and features an independent collar that enables users to keep the brake ports lined up correctly without shims. In addition, rifle zero is preserved after the addition or removal of the brake. Matte-black and stainless finishes available Made from stainless steel Universal adapter attaches with any 5/8-inch wrench In addition to its easy-use, self-timing setup, the Area 419 Hellfire Muzzle Brake is also available with suppressor-mount adapters.

HELLFIRE MUZZLE BRAKE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Area 419 Hellfire Muzzle Brake. This product is designed to enhance your shooting experience by reducing recoil and improving control. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure the muzzle brake is compatible with your rifle before installation.
- Always handle firearms with care and follow all standard firearm safety rules.
- Keep the muzzle brake and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for signs of wear or damage before each use.
- Use only the recommended tools and accessories for installation and maintenance.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure the rifle is unloaded before attaching or detaching the muzzle brake.
- Do not modify the muzzle brake or use it in a manner not specified by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience unusual recoil or noise, stop using the firearm immediately and inspect the muzzle brake.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Use a 5/8inch wrench to attach the universal adapter to the muzzle of your rifle.
- Align the muzzle brake with the adapter and tighten it securely.
- Check that the brake ports are correctly aligned without the use of shims.
- Ensure that the rifle zero is preserved after installation.

2. Usage:

- Before shooting, doublecheck that the muzzle brake is securely attached.
- Fire the rifle in a safe and controlled environment.
- After use, inspect the muzzle brake for any signs of damage or wear.

Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations.
- If the product is damaged or no longer in use, ensure it is safely disposed of to prevent accidental use by unauthorized individuals.
- Recycle materials when possible, following local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the EU contact point provided with your purchase. Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Area 419 Hellfire Muzzle Brake responsibly and safely.
