# Safety Instruction Guide for AR 308 M118LR Barrels

## Introduction

Thank you for choosing the AR 308 M118LR Barrels by Criterion Barrels Inc. This guide provides important safety instructions, usage guidelines, and disposal information to ensure the safe operation and maintenance of your barrel. Please read this document carefully before using the product.

## General Safety Guidelines

- Always handle firearms and their components with care, following all local laws and regulations.
- Ensure that your firearm is unloaded before installing or handling the barrel.
- Use only compatible ammunition: .308 Win or 7.62 NATO.
- Inspect the barrel for any signs of damage or wear before each use.
- Store the barrel and firearm in a secure location, away from children and unauthorized users.
- Familiarize yourself with the operation of your firearm and the specific requirements for the barrel.
- Follow all manufacturer instructions and guidelines for installation and usage.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when using your firearm.
- Do not exceed the recommended load specifications for ammunition.
- Be aware of your surroundings and ensure that you are in a safe environment when shooting.
- Do not modify the barrel or any other firearm components without consulting a qualified gunsmith.
- If you experience any malfunctions or issues while using the barrel, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Align the new AR 308 M118LR Barrel with the receiver and secure it using the appropriate tools and techniques.
- Install the gas block and gas system as per the manufacturer's specifications. Ensure compatibility with midlength or riflelength configurations.
- Check that all components are properly aligned and secured before proceeding.

### 2. Usage:

- Load the firearm with compatible ammunition only.
- Before firing, conduct a thorough inspection of the barrel and ensure it is free of obstructions.
- Follow standard firing procedures and maintain awareness of your surroundings.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance and longevity.

## Disposal Instructions

- Dispose of any damaged or worn barrels in accordance with local regulations regarding hazardous materials.
- If you are unsure about disposal methods, consult local authorities or a qualified waste disposal service.

- Do not discard barrels in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your AR 308 M118LR Barrel, please refer to the manufacturer's website or contact their customer service directly for assistance. It is essential to have an EUbased contact for any safetyrelated questions.

Please remember to report any unsafe products or accidents to the relevant authorities. Stay informed about recalls and updates by checking the EU's Safety Gate platform regularly. Your safety and the safety of others depend on responsible use and adherence to these guidelines.
