## Designed To Get the Most from the Creedmoor's Accuracy Potential

The Faxon Firearms 6.5 Creedmoor Heavy Fluted Barrel is manufactured from triple stress-relieved 416R stainless steel with straight flutes machined into the exterior surface. Fluting reduces weight while actually adding to the stiffness of the barrel and providing enhanced cooling properties to resist distortion of the barrel as it heats up. Faxon puts each 6.5 Creedmoor Heavy Fluted Barrel through a battery of tests, including Magnetic Particle Inspection (MPI) to ensure the barrel you install on your rifle is free of hidden flaws that could compromise accuracy or service life. Available in 20", 22", and 24" lengths Matte black QPQ Nitride coated inside and out with NP3-coated barrel extension 11° target crowned muzzle 5/8"-24 threaded muzzle is brake/compensator/flash suppressor/silencer-ready! Faxon puts each 6.5 Creedmoor Heavy Fluted Barrels are button rifled with a 5R pattern and 1-8" twist to impart excellent stability to the 6.5 Creedmoor bullet; makes cleaning easier, too. Unlike traditional rifling, 5R rifling has lands offset over grooves, meaning the bullet is not distorted as it travels down the barrel.

# Safety Instruction Guide for Faxon Firearms 6.5 Creedmoor Heavy Fluted Barrel

## Introduction

Thank you for choosing the Faxon Firearms 6.5 Creedmoor Heavy Fluted Barrel. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used in compliance with all local laws and regulations.
- Inspect the barrel for any visible defects or damage before installation.
- Always handle firearms safely and responsibly.
- Keep the barrel and all firearms out of reach of children and unauthorized users.
- Familiarize yourself with the operation of your rifle and the specific barrel features.
- Report any unsafe products or accidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Use only compatible ammunition with the 6.5 Creedmoor barrel.
- Ensure that the firearm is unloaded before performing any installation or maintenance work.
- Wear appropriate eye protection when using firearms.
- Avoid using the barrel in conditions that may lead to overheating or excessive wear.
- Do not attempt to modify the barrel or its components.
- Follow all manufacturer guidelines for the operation and care of your firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have the necessary tools for installation, including a torque wrench and appropriate firearm cleaning supplies.
- Clean the firearm thoroughly before installation.

### 2. Installation Steps

- Verify that the firearm is unloaded and the action is open.
- Remove the existing barrel if applicable, following the manufacturer's instructions.
- Align the Faxon Firearms 6.5 Creedmoor Heavy Fluted Barrel with the upper receiver.
- Secure the barrel using the appropriate torque specifications provided by the manufacturer.
- Attach the muzzle device (if applicable) to the 5/8"24 threaded muzzle.
- Perform a visual inspection to ensure proper alignment and secure fit.

### 3. Usage Guidelines

- Before firing, ensure that the barrel is properly installed and that all components are secure.
- Use proper shooting techniques and maintain awareness of your surroundings.
- Monitor the barrel for signs of wear or damage during use, especially after extended shooting sessions.
- Clean the barrel regularly to maintain performance and longevity.

## **Disposal Instructions**

- Dispose of the barrel and any associated components in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact local recycling centers for proper disposal methods for metal components.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the Faxon Firearms 6.5 Creedmoor Heavy Fluted Barrel, please refer to the manufacturer's website or contact their customer service.

By following these safety guidelines and instructions, you can enjoy the performance and reliability of your Faxon Firearms 6.5 Creedmoor Heavy Fluted Barrel while ensuring the safety of yourself and others. Thank you for your attention to these important safety measures.
