

2 CAVITY RIFLE BULLET MOLDS - LEE PRECISION 30 CALIBER (0.309") 160GR ROUND NOSE DOUBLE CAVITY MOLD

[Reloading](#) > [Bullet Casting](#) > [Casting Moulds](#) > [Rifle Moulds](#)

All Lee mould blocks are made from aluminum because of its exceptional moulding qualities. All mould cavities are CNC machined for unmatched roundness and size control. All hollow base moulds are single cavity only as they have a self centering, automatic core pin for the fastest possible moulding. All moulds include handles and sprue plates.

Attributes

- Name: [LEE PRECISION 30 CALIBER \(0.309"\) 160GR ROUND NOSE DOUBLE CAVITY MOLD](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100032143
- Mfr. No.: 90367
- Bullet Weight (Grains): 160
- Caliber: 30 Caliber
- Cavities: -
- Diameter (in): 0.309
- Delivery weight: 0.386kg
- Shipping height: 51mm
- Shipping width: 76mm
- Shipping length: 279mm
- UPC: 734307903671

Safety Instruction Guide for 2 Cavity Rifle Bullet Molds

Introduction

Thank you for choosing the 2 Cavity Rifle Bullet Molds from Lee Precision. This guide provides important safety instructions and information to ensure the safe use of the product. Please read and understand these guidelines before using the mold.

General Safety Guidelines

- Ensure that all users of the product are aware of the safety guidelines.
- Always use the product in accordance with the provided instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of damage or wear.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The molds can become hot during use. Handle with care to avoid burns.
- Use protective gear, such as gloves and safety glasses, when operating the molds.
- Ensure proper ventilation in the workspace to avoid inhalation of fumes.

- **Avoiding Hazards:**

- Do not leave the molds unattended while in use.
- Ensure that the molds are securely clamped to a stable surface during operation.
- Avoid using the molds if you are under the influence of drugs or alcohol.

Instructions for Installation and Usage

- **Installation:**

1. Select a stable and heatresistant work surface.
2. Securely clamp the mold in place to prevent movement during use.
3. Ensure that all components are clean and free from debris before use.

- **Usage:**

1. Preheat the mold according to the manufacturer's recommendations.
2. Pour the molten material carefully into the mold cavities.
3. Allow the mold to cool sufficiently before handling.
4. Use the included handles to remove the bullets from the mold safely.

- **PostUse:**

- Clean the mold thoroughly after each use to maintain its quality.
- Store the mold in a dry and safe location, away from children.

Disposal Instructions

- Dispose of any damaged or unusable molds in accordance with local waste management regulations.
- Do not dispose of the molds in regular household waste if they contain hazardous materials.
- Check with local authorities for any specific disposal requirements.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the contact information provided with the product packaging. It is important to have access to an EU-based contact for safety inquiries.

Thank you for prioritizing safety while using the 2 Cavity Rifle Bullet Molds. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
