

# ACCURACY INTERNATIONAL PRE-FIT CARBON FIBER BARRELS - PROOF RESEARCH 6.5 CREEDMOOR 1-8 TWIST 24" M30 CARBON FIBER BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Accuracy International Chassis Systems bring ergonomic and functional benefits that are delivered with degrees of modularity and configurability that cannot be achieved with any traditional stock. AI pre-fits are available for both 27mm and 30mm tenon sizes. Up to 64% lighter than traditional steel barrels of similar contour. Improved heat dissipation for cooler and longer lasting barrels. Wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin. PROOF Research Pre-Fit Accuracy International barrels are quick and easy to install on the AI platform and require no specialized gunsmithing. PROOF Research drop-in barrels for the AI chassis come threaded and chambered in a variety of different lengths and twist rates.

## Attributes

- Name: [PROOF RESEARCH 6.5 CREEDMOOR 1-8 TWIST 24" M30 CARBON FIBER BARREL](#)
- Manufacturer: [PROOF RESEARCH](#)
- Product no.: 100033142
- Mfr. No.: 109427
- Barrel Weight: 3.75 lbs
- Cartridge: 6.5 Creedmoor
- Contour: M30
- Finish: Carbon Fiber
- Length: 24"
- Model: AXMC
- Muzzle Threads: 5/8-24
- Twist: 1-8
- Weapon type: Accuracy International
- Delivery weight: 1.837kg
- Shipping height: 76mm
- Shipping width: 76mm
- Shipping length: 635mm

## Item details

Made in USA

US export classification: 0A501.c

# **Safety Instruction Guide for ACCURACY INTERNATIONAL PREFIT CARBON FIBER BARRELS PROOF RESEARCH 6.5 CREEDMOOR 18 TWIST 24" M30 CARBON FIBER BARREL**

## **Introduction**

Thank you for choosing the ACCURACY INTERNATIONAL PREFIT CARBON FIBER BARREL. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your barrel. Please read this guide carefully before use to understand the safety precautions and operational guidelines.

## **General Safety Guidelines**

- Ensure that the barrel is compatible with your specific Accuracy International chassis system.
- Always handle the barrel with care to avoid injury.
- Store the barrel in a safe, dry place away from direct sunlight and moisture.
- Do not modify the barrel in any way that may compromise its integrity or safety.
- Regularly inspect the barrel for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearms and firearm components.

## **Specific Safety Precautions for Use**

- Use only approved ammunition that is compatible with the 6.5 Creedmoor cartridge.
- Always wear appropriate eye and ear protection when using firearms equipped with this barrel.
- Ensure that the firearm is pointed in a safe direction at all times when handling or shooting.
- Keep the barrel and firearm out of reach of children and unauthorized users.
- Do not attempt to install or remove the barrel while the firearm is loaded.
- Be aware of your surroundings when shooting, and ensure that the area is clear of bystanders.

## **Instructions for Installation and Usage**

### **Installation**

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing barrel from the Accuracy International chassis system according to the manufacturer's instructions.
3. Take the ACCURACY INTERNATIONAL PREFIT CARBON FIBER BARREL and align it with the tenon size (27mm or 30mm) of your chassis.
4. Carefully thread the barrel into the chassis until securely fitted.
5. Check that the muzzle threads (5/824) are properly aligned, and ensure a snug fit.
6. Once installed, verify that the barrel is securely attached before proceeding to use.

### **Usage**

- Load the firearm with appropriate ammunition only.
- Conduct a function check to ensure proper operation of the firearm with the new barrel.
- Follow standard operating procedures for safe shooting practices.

## **Disposal Instructions**

- Dispose of any damaged or worn barrels in accordance with local regulations.

- Do not discard barrels in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ACCURACY INTERNATIONAL PREFIT CARBON FIBER BARREL, please refer to the manufacturer's website or contact their support team directly. Always ensure that you have the latest information regarding safety recalls and updates.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ACCURACY INTERNATIONAL PREFIT CARBON FIBER BARREL. Thank you for your attention to safety.
