

SWITCHBLADE PACK - EBERLESTOCK SWITCHBLADE PACK-MILITARY GREEN

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Backpacks](#)

The idea that a knife can be safely carried in your pocket, but rapidly deployed is appealing to many. Eberlestock has taken that same concept and put it into its Switchblade pack. A magnetic opening handgun sleeve, now with a Nylex material backing for attaching holsters, is the quickest and safest way to pull a pistol from your pack. This mid-size Switchblade EDC pack keeps a low profile, while maximizing space and organization. Open the top lid pocket and you will find two magazine pouches, and other small organizing features. The front of the pack features an oversized pocket for quick access to your important items. On each side is a pair drawstring cupholder pockets, as well as a side zip pocket, big enough for a spotting scope, small tripod, or other long items. Rare-earth magnetic openings allow quick access to handgun concealed carry pouches from either side of the pack. Loop-velcro PALS webbing inside allows you to rack either MOLLE- or velcro-backed accessories. Interior pockets for hydration bladder, mags, small item organizers, and more. Detachable harness. New MOLLE-10 webbing offers the ability to carry standard 3-row MOLLE accessories, with a 60% weight savings over standard 25mm MOLLE matrixes. Featuring Eberlestock's quick access, grab and go zip-away top, allowing full frontal or top loading access to the main compartment. Inside you will find a document divider for an iPad, laptop, other electronics or even a short-barreled rifle. Additionally, there are elastic sleeves for organizing smaller items that are hydration compatible. On the inside and outside is 10mm MOLLE webbing. It functions the same as traditional MOLLE but weighs 60% less. Nylex material inside allows you to attach hook and loop accessories. Finally the Switchblade pack transforms into an extremely versatile day hunting pack, by simply adding a hipbelt (not included). Furthermore turn it into a load bearing compatible day pack by removing the harness and attaching it to our Carrier Frame using the ACHK or ACHQ Hookup Kit.

SWITCHBLADE PACK EBERLESTOCK SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Eberlestock Switchblade Pack in Military Green. This pack is designed for versatility and ease of use, allowing you to carry your essentials safely and efficiently. To ensure a safe and enjoyable experience, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the pack is used only for its intended purpose as a backpack.
- Regularly inspect the pack for any signs of wear or damage.
- Keep the pack out of reach of children unless supervised by an adult.
- Avoid overloading the pack beyond its weight capacity (3 lbs 10 oz).
- Use the pack in accordance with local laws and regulations, especially concerning concealed carry.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Magnetic Openings:** Be cautious when accessing the handgun sleeve. Ensure that no other items are obstructing the opening.
- **Hydration Bladder:** When using a hydration bladder, ensure that it is properly sealed to prevent leaks.
- **Detachable Harness:** When removing or attaching the harness, ensure that all buckles and straps are secure to prevent accidental detachment.
- **MOLLE Webbing:** Only use MOLLEcompatible accessories to avoid compromising the pack's integrity.
- **Elastic Sleeves:** Ensure that smaller items placed in the elastic sleeves are secure and do not obstruct the main compartment.
- **Transportation:** When transporting the pack, ensure that it is secured to prevent movement that could cause injury.

Instructions for Installation and Usage

Installation

1. Attaching Accessories:

- Use the loopvelcro PALS webbing to attach MOLLE or velcrobacked accessories securely.
- Ensure that all attachments are properly fastened and do not interfere with the pack's functionality.

2. Hydration Bladder Setup:

- Insert the hydration bladder into the designated pocket.
- Ensure the hose is routed correctly for easy access.

3. Detachable Harness:

- To attach the harness, align the straps with the designated loops and secure them.
- To detach, simply unbuckle the straps and store them properly.

Usage

- **Accessing Handgun Sleeve:**

- Open the magnetic flap carefully.
- Ensure that the area is clear before reaching for your handgun.

- **Loading the Pack:**

- Open the top lid pocket and utilize the magazine pouches for quick access.
- Use the oversized front pocket for items you need to access frequently.
- Place longer items, such as spotting scopes, in the side zip pocket.

- **Transforming the Pack:**

- To convert the Switchblade Pack into a loadbearing compatible day pack, remove the harness and attach it to the Carrier Frame using the ACHK or ACHQ Hookup Kit.
- Add a hipbelt (not included) for additional support when using the pack for hunting.

Disposal Instructions

- Dispose of the pack in accordance with local regulations regarding textile and plastic waste.
- If the pack is damaged beyond repair, consider recycling materials where possible.
- Ensure that any detachable accessories are also disposed of properly.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided with your product packaging.

By following these guidelines, you can ensure safe and effective use of your Eberlestock Switchblade Pack. Enjoy your adventures with confidence!
