# **EASY GRIP HANDGUARD REMOVAL TOOL Safety Instructions**

## **Introduction**

Thank you for choosing the Real Avid Easy Grip Handguard Removal Tool. This tool is designed to simplify the process of changing handguards on AR15s and M16s. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## **General Safety Guidelines**

- Always ensure that the firearm is unloaded before attempting to use the Easy Grip Handguard Removal Tool.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool before each use to ensure it is in good working condition.
- Do not use the tool if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding the use of firearms and associated tools.

## **Specific Safety Precautions for Use**

- Ensure that you are wearing appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes during use.
- Use the tool in a welllit area to minimize the risk of accidents.
- Do not place your hands near the Delta Ring or any moving parts while using the tool.
- Avoid excessive force when using the tool; if resistance is encountered, reassess your technique rather than forcing the tool.
- Always maintain a firm grip on the handles while using the tool to prevent slippage.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Clear the area around you of any obstructions or hazards.

### **2. Attaching the Tool:**

- Hook the Easy Grip Handguard Removal Tool to the empty magwell of your firearm.
- Position the contoured rods around the Delta Ring.

### **3. Using the Tool:**

- Squeeze the handles of the tool firmly to compress the Delta Ring.
- While holding the handles in place, use your free hand to gently remove the handguard from the firearm.

### **4. After Use:**

- Once the handguard is removed, release the handles of the tool.
- Store the tool in a safe place, away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of the Easy Grip Handguard Removal Tool in accordance with local regulations.
- Do not dispose of the tool in household waste.
- If the tool is no longer functional, consider recycling it at a designated facility if available.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the Easy Grip Handguard Removal Tool, please contact your local distributor or manufacturer support line for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safer experience when using the Real Avid Easy Grip Handguard Removal Tool. Always prioritize safety and remain informed about best practices when handling firearms and related tools.
