

TAC TRIGGER FOR GLOCK® GEN 5 - OVERWATCH PRECISION TACTICAL TRIGGER, BLACK/RED

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

A Cutting-Edge Replacement for Your Gen 5 OEM Trigger

Following the rollout of the improved Glock Gen 5 series of handguns, Overwatch Precision developed an all-new trigger enhancement in the form of its Gen 5 TAC Trigger. The Overwatch Precision Gen 5 TAC Trigger provides Glock owners with a flat-faced, drop-in replacement for their OEM triggers. The trigger shoes and safety tabs are all machined from 7075-T6 aluminum alloy and are fitted to an OEM trigger bar using 316 stainless-steel coil-spring pins. The design of the Overwatch Precision Gen 5 TAC Trigger ensures trigger-finger placement in the same spot every time, and the design of the new system reduces pre-travel by as much as 20 percent and also reduces overtravel distance. The result is a clean, crisp break that enhances your shooting.

Attributes

- Name: [OVERWATCH PRECISION TACTICAL TRIGGER, BLACK/RED](#)
- Manufacturer: [OVERWATCH PRECISION](#)
- Product no.: 100034436
- Mfr. No.: 25126

Safety Instruction Guide for TAC Trigger for Glock® Gen 5

Introduction

Thank you for choosing the TAC Trigger for Glock® Gen 5 by Overwatch Precision. This guide provides essential safety information and instructions to ensure the safe and effective use of your new trigger enhancement. Please read this guide carefully before installation and use.

General Safety Guidelines

- **Product Safety:** This product is designed to enhance the performance of your Glock Gen 5 handgun. It is essential to follow all safety guidelines to ensure safe operation.
- **Enhanced Recalls:** In the event of a safety recall, you will be notified through standardized notices. Ensure you register your product for updates.
- **Online Shopping:** If purchased online, ensure that the retailer complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by individuals under the age of 18. Store out of reach of children.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates by checking the EU Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure the firearm is unloaded before installing the TAC Trigger. Always follow the manufacturer's instructions for your specific Glock model.
- **Trigger Safety:** Never place your finger on the trigger until you are ready to shoot. Always treat your firearm as if it is loaded.
- **Handling:** Avoid dropping or mishandling your firearm, as this could lead to accidental discharge.
- **Environment:** Use the TAC Trigger in a safe environment where you have a clear line of sight and a safe backstop.
- **Regular Checks:** Inspect the TAC Trigger regularly for any signs of wear or damage. If any issues are found, do not use the product until it has been inspected by a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Glock Gen 5 handgun is completely unloaded.
- Gather necessary tools: a punch tool, a hammer, and a clean workspace.

2. Installation Steps:

- Remove the slide from the frame of the Glock Gen 5.
- Carefully remove the OEM trigger by pushing out the trigger pin using the punch tool.
- Install the Overwatch Precision TAC Trigger by aligning it with the trigger bar and inserting the trigger pin.
- Ensure that the trigger shoe and safety tabs are securely fitted.
- Reassemble the slide onto the frame.

3. PostInstallation Check:

- After installation, perform a function check to ensure the trigger operates correctly.
- Test the trigger pull and ensure it meets your preferences.

4. Usage:

- When using your firearm, maintain proper grip and stance.
- Always be aware of your surroundings and ensure you are shooting in a safe direction.
- Regularly practice safe handling and shooting techniques.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the TAC Trigger, check with local waste management services for proper disposal methods, especially for metal components.

Contact Information for Further Support

For any inquiries regarding the TAC Trigger for Glock Gen 5, please refer to the contact information provided by your retailer or manufacturer.

This safety instruction guide is designed to help you use your TAC Trigger safely and effectively. By following these guidelines, you can enjoy enhanced performance while ensuring your safety and the safety of those around you.
