

# RANGE CUBE - WIEBAD RANGE CUBE BLACK

[Home](#)

RANGE CUBE Together with the company's Mini Cube, the WieBad Range Cube offers shooters a solid, multi-sided rest that provides multiple elevation points and a solid base for a stable shooting platform. Made from durable Cordura Nylon, the WieBad Range Cube is designed to withstand the rigors of the range, and its heavier weight, clocking in at 8 pounds, makes it rigid and solid enough to serve as a dependable shooting rest. Each WieBad Range Cube measures 8 inches tall and 6 inches wide. Shooters can choose from Coyote, Black and MultiCam colors.

# WieBad Range Cube Safety Instruction Guide

## Introduction

Thank you for choosing the WieBad Range Cube. This product is designed to provide a stable shooting platform for a variety of shooting activities. To ensure your safety and the longevity of the product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's instructions.
- Inspect the Range Cube before each use for any signs of wear or damage.
- Keep the Range Cube out of reach of children when not in use.
- Use the Range Cube only for its intended purpose as a shooting rest.
- Be aware of your surroundings and ensure that the area is safe for shooting before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the weight limit of the Range Cube. It is designed to support a weight of up to 8 pounds.
- Avoid placing the Range Cube near edges or unstable surfaces to prevent it from tipping over.
- Ensure that the Range Cube is placed on a stable surface to maintain balance during use.
- Be cautious when adjusting the position of the Range Cube; ensure that your hands are clear of any moving parts.
- Always follow local laws and regulations regarding shooting activities.

## Instructions for Installation and Usage

### 1. Setting Up the Range Cube:

- Place the Range Cube on a flat and stable surface.
- Ensure that the cube is positioned securely before placing any equipment on it.

### 2. Using the Range Cube:

- Adjust the elevation points as needed to achieve the desired height for your shooting position.
- Ensure that your firearm is securely placed on the Range Cube and that it is stable before taking any shots.
- Maintain a safe shooting distance from other individuals and ensure that the range is clear.

### 3. PostUse Care:

- After use, clean the Range Cube as necessary to remove any dirt or debris.
- Store the Range Cube in a dry place to prevent damage to the material.

## Disposal Instructions

- Dispose of the Range Cube in accordance with local regulations for fabric and nylon materials.
- Do not burn the Range Cube, as it may release harmful substances when incinerated.
- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with the product packaging.
