The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Available in KeyMod and M-LOK® profiles with 12" and 15" options (7" and 9" options coming soon). ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. Lightweight By Design KeyMod Handguard Weights: 7" - 5.12 oz / 9" - 5.92 oz / 12" - 7.84 oz / 15" - 8.96 oz M-LOK Handguard Weights: 7" - 5.22 oz / 9" - 6.03 oz / 12" - 8 oz / 15" - 9.07 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) Features: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels ATLAS Handguards are designed to match seamlessly with our M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo.

Safety Instructions

Introduction

Thank you for choosing the ATLAS RONE MLOK Free Floating Handguard for your AR15. This product is designed to enhance your firearm's performance while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product properly.

General Safety Guidelines

- Always handle firearms responsibly and with care.
- Ensure that the ATLAS RONE Handguard is compatible with your specific AR15 model.
- Familiarize yourself with local laws and regulations regarding firearm accessories.
- Inspect the handguard and mounting hardware for any damage before installation.
- Keep the handguard out of reach of children and unauthorized users.
- If you notice any defects or issues with the handguard, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before beginning installation.
- Use protective eyewear when installing or handling the handguard.
- Avoid placing any object in front of the firearm's muzzle.
- Do not exceed the weight limit for attachments on the handguard.
- Regularly inspect the handguard and attachments for signs of wear or loosening.
- If using the quick disconnect sling socket, ensure it is securely fastened before use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your AR15 is completely unloaded and safe.
- Gather all necessary tools, including a compatible wrench for the barrel nut.

2. Installation:

- Remove the existing handguard from your AR15.
- Install the customengineered barrel nut using the provided turnbuckle screw.
- Attach the ATLAS RONE Handguard by aligning it with the barrel nut.
- Secure the handguard using the included locking nuts, ensuring they are tightened evenly.
- Check the alignment of the handguard and make adjustments as necessary.

3. Usage:

- Once installed, you can attach accessories to the full top picatinny rail or the MLOK slots.
- Ensure that all attachments are securely fastened and do not interfere with the operation of the firearm.
- Regularly check the stability of the handguard and any attachments during use.

Disposal Instructions

- Dispose of the ATLAS RONE Handguard in accordance with local regulations.
- Do not dispose of the handguard in household waste.

- Contact your local waste management authority for guidance on proper disposal methods.
