## A Set of Earmuffs That Provide Passive Support

Active hearing-protection equipment relies on electronics to provide noise reduction, and these muffs also often work to amplify select sounds in a shooter's environment, allowing them to communicate. However, these muffs are often pricey options, meaning many shooters have just a pair for themselves. If you're taking friends to the range, make sure they have hearing protection, too, and these Walkers Razor Slim Passive Muffs are an effective, affordable option, so you can have multiple pairs on-hand. Each pair of Walkers Razor Slim Passive Earmuffs have slim, low-profile earcups that won't get in the way of a solid cheek weld, and the wire-reinforced headband provides comfort for all-day wear. When you're done shooting, these muffs collapse into a compact, easily carried package that you can stash in your range bag for future use. Total NRR is 27 decibels.

# RAZOR SLIM PASSIVE MUFFS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Walkers Razor Slim Passive Muffs. These earmuffs are designed to provide effective hearing protection while allowing for communication in shooting environments. To ensure safe and optimal use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the earmuffs in accordance with the manufacturer's instructions.
- Ensure that the earmuffs fit snugly and comfortably over your ears.
- Regularly inspect the earmuffs for signs of wear or damage before each use.
- Keep the earmuffs away from extreme temperatures and moisture.
- Store the earmuffs in a dry place when not in use.
- Report any unsafe products or incidents to local authorities.

## Specific Safety Precautions for Use

- **Hearing Protection:** These earmuffs provide a Noise Reduction Rating (NRR) of 27 dB. Always wear them in environments with loud noises to protect your hearing.
- **Communication:** While the earmuffs allow for communication, be aware of your surroundings and ensure that you can hear important sounds, such as commands or warnings.
- **Age Restrictions:** This product is not intended for use by children without adult supervision. Ensure that children are kept at a safe distance from shooting activities.
- **Comfort:** Adjust the headband for a proper fit to avoid discomfort during prolonged use.

## Instructions for Installation and Usage

### 1. Fitting the Earmuffs:

- Place the earmuffs over your ears, ensuring that the earcups fully cover your ears.
- Adjust the headband to achieve a snug fit without excessive pressure.

### 2. Using the Earmuffs:

- Wear the earmuffs during all shooting activities and in environments with high noise levels.
- Check the fit periodically, especially if worn for extended periods.
- If you experience discomfort or a decrease in sound quality, remove the earmuffs and inspect them for damage.

### 3. Collapsing for Storage:

- After use, gently collapse the earmuffs to minimize space when storing.
- Place the earmuffs in a protective case or your range bag to avoid damage.

## Disposal Instructions

- Dispose of the earmuffs in accordance with local waste management regulations.
- If the earmuffs are damaged beyond repair, consider recycling materials where possible.
- Do not dispose of earmuffs in regular household waste if they contain electronic components.

## **Contact Information for Further Support**

For any inquiries regarding safety or performance, please refer to the manufacturer's website or customer service resources.

Thank you for prioritizing your safety and the safety of others while using the Walkers Razor Slim Passive Muffs. Your awareness and adherence to these guidelines contribute to a safer shooting experience.
