A Pair of Folding Muffs That Provide Extra Sound Protection

Looking for a pair of passive earmuffs that you can keep stashed in the corner of your range bag for a friend or for backup use? These Walkers Pro Low-Profile Folding Shooting Muffs are incredibly light and store in a compact package, making them the perfect option to keep stored in your range bag for any situation. Each pair of Walkers Pro Low-Profile Folding Shooting Muffs have slim, low-profile earcups with PVC padding that won't get in the way of a solid cheek weld, and the wire-reinforced headband provides comfort for all-day wear. When you're done shooting, these muffs collapse into a compact, easily carried package that you can stash in your range bag for future use. Best of all, these low-profile muffs provide enhanced noise-reduction protection of 22 decibels!

PRO LOW PROFILE FOLDING MUFFS USER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the PRO Low Profile Folding Muffs by Walkers Game Ear. These earmuffs are designed to provide effective noise reduction while being lightweight and portable. This guide provides important safety instructions and guidelines to ensure safe and effective use of your earmuffs.

General Safety Guidelines

- Always inspect the earmuffs before use. Check for any visible damage or wear that may affect performance.
- Ensure that the earmuffs fit snugly over your ears to maximize noise reduction.
- Do not use the earmuffs if they are damaged or if the padding is worn out.
- Keep earmuffs away from extreme temperatures and humidity to preserve their integrity.
- Store the earmuffs in a dry place when not in use, preferably in a protective case.

Specific Safety Precautions for Use

- These earmuffs provide a Noise Reduction Rating (NRR) of 22 dB. While they significantly reduce noise, they do not eliminate it entirely. Ensure you remain aware of your surroundings.
- Do not use the earmuffs in situations where communication is essential, as they may hinder your ability to hear important sounds.
- If you experience discomfort or pain while wearing the earmuffs, remove them immediately.
- Use the earmuffs only for their intended purpose. They are designed for shooting and other loud noise environments.

Instructions for Installation and Usage

1. Folding and Unfolding:

- To unfold the earmuffs, gently pull the ear cups apart until they click into place.
- To fold the earmuffs for storage, press the ear cups together until they are compact.

2. Wearing the Earmuffs:

- Place the earmuffs over your ears with the padded ear cups covering your ears completely.
- Adjust the headband for a snug fit. The earmuffs should be comfortable but not too tight.

3. PostUse Care:

- After use, clean the earmuffs with a damp cloth to remove dirt and sweat.
- Allow the earmuffs to dry completely before storing them.

Disposal Instructions

- Dispose of the earmuffs in accordance with local regulations. If the earmuffs are damaged beyond repair, consider recycling materials wherever possible.
- Do not dispose of the earmuffs in regular household waste if they contain electronic components.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and performance of your PRO Low Profile Folding Muffs, please refer to the appropriate contact point in your region.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure the effective use of your PRO Low Profile Folding Muffs. Always stay informed about product recalls and safety updates through official channels. Thank you for your attention to safety!
