

ULTRA 20 PISTOL CLEANING MAT - TEKMAT ULTRA 20 SIG SAUER P320 GUN CLEANING MAT BLACK

A Cleaning Mat Designed to Aid in Handgun Disassembly

TekMat revolutionized the firearm-cleaning market with its line of cleaning mats that were more than just protective work surfaces. These cleaning mats included diagrams and schematics of today's popular firearms, allowing users to get an inside look at their gun and easily disassemble and reassemble firearms. The company's new Ultra 20 Pistol Cleaning Mat continues this legacy with a few improved elements. Each TekMat Ultra 20 Pistol Cleaning Mat is constructed using a clear dye-sublimation printing technique that makes the mat waterproof, scratchproof, oil- and chemical-resistant and washable. The company's direct-vulcanization technique adheres the mat's surface to a rubber backing, which provides padding and durability. The complete line of TekMat Ultra 20 Pistol Cleaning Mats includes a parts list that matches the manufacturer's list of parts, so there's no chance of confusion, and you'll always know what part goes where and which parts you might need to order to repair or complete your firearm. This line of pistol mats is available for the 1911, Beretta 92, Glock Gen 4, SIG Sauer P238 and P320 and the Springfield XD line.

ULTRA 20 Pistol Cleaning Mat Safety Instructions

Introduction

Thank you for choosing the ULTRA 20 Pistol Cleaning Mat by TekMat. This product is designed to provide a safe and effective workspace for cleaning your firearms. Please read this safety instruction guide carefully to ensure proper usage and maintenance of the mat, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the cleaning mat is used in a wellventilated area to avoid inhaling any fumes from cleaning agents.
- Keep the mat away from open flames or high heat sources, as it is made from materials that may be flammable.
- Always supervise children when using the cleaning mat, as it may contain small parts or cleaning tools that could pose a choking hazard.
- Be aware of your surroundings and ensure that no unauthorized persons are present during firearm cleaning.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Before using the mat, inspect it for any damage. Do not use if the mat is torn or has any defects.
- When cleaning firearms, use only approved cleaning solutions that are compatible with your firearm type.
- Avoid excessive force when disassembling or reassembling firearms to prevent injury or damage to the firearm.
- Always follow the manufacturer's instructions for your specific firearm model.
- Keep all cleaning supplies and tools out of reach of children when not in use.

Instructions for Installation and Usage

1. Placement of the Mat

- Choose a flat, stable surface for the mat to ensure it does not slip during use.
- Ensure the mat is clean and dry before placing any firearms or cleaning supplies on it.

2. Using the Mat

- Lay your firearm on the mat, ensuring it is pointed in a safe direction and that the firearm is unloaded.
- Refer to the parts list printed on the mat for guidance on disassembly and assembly.
- Use appropriate tools for cleaning and follow the schematic diagrams for your firearm model.

3. Cleaning the Mat

- After use, wipe the mat with a damp cloth to remove any cleaning solutions or residues.
- For deeper cleaning, the mat can be washed with mild soap and water. Allow it to air dry completely before storing.

4. Storage

- Store the mat in a cool, dry place away from direct sunlight to maintain its integrity.
- Avoid folding or creasing the mat to prevent damage.

Disposal Instructions

- Dispose of the mat according to local regulations for rubber and synthetic materials.
- Do not burn the mat, as it may release harmful fumes.
- If the mat is damaged beyond repair, consider recycling it if facilities are available in your area.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your ULTRA 20 Pistol Cleaning Mat. Thank you for your attention to safety and for choosing TekMat.
