

ULTRA 44 LONG GUN CLEANING MAT - TEKMAT ULTRA 44 AR-15 CUT AWAY GUN CLEANING MAT BLACK

An Extra-Long Cleaning Mat Complete With Your Rifle's Schematic

When TekMat introduced its first cleaning mat, firearm cleaning and maintenance for owners of these innovative work surfaces had a totally different experience with their guns. The company changed the firearm-cleaning world by providing complete schematics on its cleaning mats, giving users a guideline and understanding on the function and construction of their guns. Each TekMat Ultra 44 Long Gun Cleaning Mat is constructed using a clear dye-sublimation printing technique that makes the mat waterproof, scratchproof, oil- and chemical-resistant and washable. The company's direct-vulcanization technique adheres the mat's surface to a rubber backing, which provides padding and durability. The complete line of TekMat Ultra 44 Long Gun Cleaning Mats includes a parts list that matches the manufacturer's list of parts, so there's no chance of confusion, and you'll always know what part goes where and which parts you might need to order to repair or complete your firearm. This line of pistol mats is available for the Ruger 10/22, AK-47, AR-15 and Remington 870.
