

ULTRA 44 LONG GUN CLEANING MAT - TEKMAT ULTRA 44 REMINGTON 870 GUN CLEANING MAT BLACK

An Extra-Long Cleaning Mat Complete With Your Rifle's Schematic

When TekMat introduced its first cleaning mat, firearm cleaning and maintenance for owners of these innovative work surfaces had a totally different experience with their guns. The company changed the firearm-cleaning world by providing complete schematics on its cleaning mats, giving users a guideline and understanding on the function and construction of their guns. Each TekMat Ultra 44 Long Gun Cleaning Mat is constructed using a clear dye-sublimation printing technique that makes the mat waterproof, scratchproof, oil- and chemical-resistant and washable. The company's direct-vulcanization technique adheres the mat's surface to a rubber backing, which provides padding and durability. The complete line of TekMat Ultra 44 Long Gun Cleaning Mats includes a parts list that matches the manufacturer's list of parts, so there's no chance of confusion, and you'll always know what part goes where and which parts you might need to order to repair or complete your firearm. This line of pistol mats is available for the Ruger 10/22, AK-47, AR-15 and Remington 870.

ULTRA 44 LONG GUN CLEANING MAT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ULTRA 44 Long Gun Cleaning Mat by TekMat. This mat is designed to provide a safe and effective surface for cleaning and maintaining your firearms. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the mat is placed on a stable, flat surface before use.
- Keep the cleaning mat away from children and pets to prevent accidents.
- Always follow the manufacturer's instructions for cleaning and maintenance of your firearms.
- Use only approved cleaning solutions and tools as specified by firearm manufacturers.
- Be aware of any potential hazards associated with the cleaning products you use.

Specific Safety Precautions for Use

- Avoid using the cleaning mat near open flames or high heat sources, as it is made from materials that may be flammable.
- Do not expose the mat to harsh chemicals not intended for cleaning firearms, as this may damage the mat.
- Ensure that all cleaning materials are securely stored after use to prevent accidental exposure.
- If using oils or solvents, ensure adequate ventilation to avoid inhalation of fumes.

Instructions for Installation and Usage

1. Placement of the Mat

- Unroll the mat on a clean, dry, and stable surface.
- Ensure the rubber backing is flat against the surface to prevent slipping.

2. Cleaning Your Firearm

- Before cleaning, ensure the firearm is unloaded and safe.
- Refer to the schematic printed on the mat for guidance on disassembly and parts identification.
- Use appropriate cleaning tools and solutions, applying them directly to the mat as needed.
- After cleaning, allow the mat to air dry completely before storing.

3. Maintenance of the Mat

- The mat is washable. Use mild soap and water, and rinse thoroughly.
- Do not use abrasive cleaners or scrubbers that may damage the surface.
- Allow the mat to dry completely before rolling or storing it.

Disposal Instructions

- Dispose of the cleaning mat according to local regulations for rubber and textile waste.
- If the mat is damaged beyond use, ensure it is disposed of in a manner that minimizes environmental impact.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's contact information provided on the packaging or the official website.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your ULTRA 44 Long Gun Cleaning Mat. Remember to stay informed about product recalls and safety updates through the EU's Safety Gate platform. Your safety and satisfaction are our top priorities. Thank you for choosing TekMat.
