## An Extra-Long Cleaning Mat Complete With Your Rifle's Schematic

When TekMat introduced its first cleaning mat, firearm cleaning and maintenance for owners of these innovative work surfaces had a totally different experience with their guns. The company changed the firearm-cleaning world by providing complete schematics on its cleaning mats, giving users a guideline and understanding on the function and construction of their guns. Each TekMat Ultra 44 Long Gun Cleaning Mat is constructed using a clear dye-sublimation printing technique that makes the mat waterproof, scratchproof, oil- and chemical-resistant and washable. The company's direct-vulcanization technique adheres the mat's surface to a rubber backing, which provides padding and durability. The complete line of TekMat Ultra 44 Long Gun Cleaning Mats includes a parts list that matches the manufacturer's list of parts, so there's no chance of confusion, and you'll always know what part goes where and which parts you might need to order to repair or complete your firearm. This line of pistol mats is available for the Ruger 10/22, AK-47, AR-15 and Remington 870.

# ULTRA 44 LONG GUN CLEANING MAT SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the ULTRA 44 Long Gun Cleaning Mat. This guide provides essential safety instructions and guidelines to ensure your safe use of this product. Please read the entire guide carefully before using the cleaning mat.

## General Safety Guidelines

- Ensure that the cleaning mat is placed on a stable and dry surface before use.
- Always inspect the mat for any signs of damage or wear before each use. Do not use if damaged.
- Keep the cleaning mat out of reach of children and pets to prevent accidents.
- Use the cleaning mat only for its intended purpose – cleaning and maintaining firearms.
- Avoid using the mat in environments with high temperatures or direct sunlight for prolonged periods, as this may affect its durability.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before placing it on the cleaning mat.
- Use appropriate cleaning solutions and tools that are recommended for your specific firearm.
- Do not use abrasive materials on the mat as this may cause scratches and reduce its effectiveness.
- If you spill any cleaning solution on the mat, clean it immediately to avoid staining or damaging the surface.
- Be aware of the potential hazards associated with the cleaning materials you use, and follow the manufacturer's safety recommendations.

## Instructions for Installation and Usage

1. **Placement:** Unroll the cleaning mat and place it on a flat, stable surface, ensuring it is fully extended and free from wrinkles.
2. **Preparation:** Before starting the cleaning process, gather all necessary cleaning supplies, including cleaning solutions, brushes, and cloths.
3. **Cleaning Your Firearm:**
  - Ensure your firearm is unloaded.
  - Place the firearm on the mat, aligning it with the schematic provided on the surface.
  - Follow the cleaning instructions specific to your firearm model.
  - Refer to the parts list on the mat to identify components and ensure proper cleaning.
4. **PostCleaning:** After cleaning, ensure all tools and cleaning supplies are removed from the mat. Allow the mat to dry completely before storing it.
5. **Storage:** Roll the mat carefully to avoid creasing and store it in a cool, dry place.

## Disposal Instructions

- Dispose of the cleaning mat according to local regulations for rubber and textile materials.
- Do not incinerate the mat as it may release harmful substances.
- If the mat is damaged beyond repair, consider recycling options where available.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the ULTRA 44 Long Gun Cleaning Mat, please contact the manufacturer or your local retailer for assistance.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy using your ULTRA 44 Long Gun Cleaning Mat for a safe and effective firearm maintenance experience.
