Faxon's Integral Rifle Barrels are the perfect choice for any shooter who is looking for the maneuverability of a shorter overall length but want the compatibility and versatility that comes with an AR15 build. With Faxon's Integral Muzzle Device Barrels customers will no longer be locked into a single configuration on their rifle build or be dependent on finding a capable gunsmith to pin & weld their muzzle device to their barrel. Shooters can choose from a 3-port muzzle device or slotted flash hider, allowing the full assembly and disassembly of gas blocks and barrel nuts. Shooters are forever free to change their weapon's configuration. The Gunner profile is a blend of two of the best performing profiles of all time, Gov't and Pencil. Faxon's Gunner profile combines the durability of the Gov't profile with the weight savings and maneuverability of the Pencil profile. The Gunner profile brings the balance of the rifle back towards the shooter's body, limiting fatigue, and allowing for shooting, training, or hunting all day long. To ensure your safety and the safe operation of this product, please read and follow the guidelines outlined in this document carefully.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the firearm is unloaded when not in use or when being cleaned.
- Store firearms and ammunition separately and securely, out of reach of children and unauthorized users.
- Use appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the firearm or its components without consulting a qualified gunsmith.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure that the barrel is compatible with your AR15 platform before installation.
- Always check the barrel and muzzle device for any signs of damage before use.
- Do not exceed the recommended ammunition specifications; use only 5.56 mm NATO cartridges.
- Be aware of the potential for increased noise and recoil when using a muzzle device.
- Avoid using the firearm in wet or damp conditions unless it is specifically rated for such use.
- Regularly inspect the muzzle device for carbon buildup and clean as necessary to maintain performance.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and the safety is engaged.
2. Remove the existing barrel by following the manufacturer's instructions for disassembly.
3. Carefully install the Faxon Firearms Gunner Barrel by aligning it with the upper receiver.
4. Securely attach the barrel nut, ensuring it is torqued to the manufacturer's specifications.
5. If necessary, install the integral muzzle device according to the provided instructions, ensuring it is properly aligned and secured.
6. Reassemble the firearm and perform a function check to ensure all components are operating correctly.

### Usage

- Always refer to the firearm's owner manual for specific operational instructions.
- Load the firearm with the appropriate ammunition.
- When ready to shoot, maintain a firm grip and ensure your stance is stable.
- Aim at the intended target and ensure the area is clear of obstructions and bystanders.
- After shooting, ensure the firearm is cleared and stored safely.

## **Disposal Instructions**

- Dispose of the barrel and muzzle device in accordance with local regulations regarding hazardous materials.
- Do not dispose of the firearm or its components in regular household waste.
- Contact local authorities or a licensed firearms dealer for information on safe disposal methods.
