[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Reliability of our ETS mags: The ETS transparent Glock mags take visibility and safety to new level. Users are able to quickly determine the round count and ammo type from any viewing angle. These mags have been through rigorous testing including several 1000s of rounds ran through them without failure, using all generations and size of Glock pistols. Several different brands of ammo was used in testing, including hollow points. We cut no corners in testing to insure our mags deliver the same reliability that is expected out of OEM Glock mags. The ETS GLOCK mag: Fully compatible with aftermarket base plates. Reliably hold the slide back when empty. Drop Free Easy disassembly for cleaning Specially designed base plate has a grip rib to aid in extraction Superiority of our Polymer: To insure our mags can handle any abuse that the user would put it through we use our proven Advanced Transparent Polymer. This is the same groundbreaking polymer we developed for our AR15 magazine. We have tested our Polymer in the following conditions: Repeated drops from 8ft fully loaded without breaking or cracking. Extreme thermal conditions ranging from -60 to 180 deg F for extended periods. Extremely elevated UV exposure for several months to insure it will not become brittle. Unmatched chemical resistance including Deet, Fuels, Cleaners... Creep resistant, your mag will not creep/spread when stored fully loaded.

# Safety Instruction Guide for TRANSLUCENT MAGAZINE FOR GLOCK® 19

## Introduction

Thank you for purchasing the TRANSLUCENT MAGAZINE FOR GLOCK® 19 by ELITE TACTICAL SYSTEMS GROUP. This safety instruction guide is designed to ensure the safe use of your magazine while complying with EU General Product Safety Regulations (GPSR). Please read this guide carefully to understand how to use, maintain, and dispose of your magazine safely.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of the TRANSLUCENT MAGAZINE by following all instructions and precautions outlined in this guide.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure the magazine is compatible with Glock models 17, 19, 26, 34, and 45.
- **Inspection:** Before use, inspect the magazine for any signs of damage or wear. Do not use a damaged magazine.
- **Loading:** Load the magazine only with 9 mm Luger cartridges. Do not exceed the 40round capacity.
- **Handling:** Always handle the magazine with care. Treat it as if it is loaded at all times.
- **Storage:** Store the magazine in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Disassembly:** Follow the instructions for disassembly carefully for cleaning purposes. Ensure the magazine is empty before disassembling.
- **Use with Caution:** Always follow safe firearm handling practices when using the magazine with your Glock pistol.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Ensure the magazine is clean and free from debris.
- Hold the magazine with the feed lips facing upwards.
- Insert cartridges one at a time into the magazine, pushing them down until they are securely in place. Do not exceed 40 rounds.

### 2. Installing the Magazine:

- Align the magazine with the magazine well of the Glock pistol.
- Firmly push the magazine into the well until you hear a click, indicating it is securely in place.

### 3. Using the Magazine:

- Ensure the firearm is pointed in a safe direction.
- To release the magazine, press the magazine release button on the Glock.
- Always verify that the magazine is empty before cleaning or storing.

#### **4. Cleaning the Magazine:**

- Disassemble the magazine according to the manufacturer's instructions.
- Clean all components with a soft cloth and appropriate cleaner. Avoid using harsh chemicals that may damage the polymer.
- Reassemble the magazine once all parts are clean and dry.

## **Disposal Instructions**

- Dispose of the magazine responsibly. If the magazine is damaged or no longer usable, follow local regulations for disposal of polymer products.
- Do not incinerate the magazine, as it may release harmful substances.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your TRANSLUCENT MAGAZINE FOR GLOCK® 19, please refer to the designated EU contact point or your retailer.

By following these safety instructions, you can ensure the safe and effective use of your magazine. Thank you for choosing ELITE TACTICAL SYSTEMS GROUP. Stay safe!
