

AR .308 ACCU-TAC FLASH HIDER .30 CAL - WILSON COMBAT AR .308 ACCU-TAC FLASH HIDER .30 CAL BLK 5/8-24

[Rifle Parts](#) > [Muzzle Devices](#) > [Flash Hiders](#)

Wilson Combat's Accu-Tac AR flash hider sports a three-pronged external profile and their exclusive external accurizing flutes that improve muzzle harmonics over other blast dispersing brakes. These extensively tested features effectively dissipate flash and minimize muzzle signature but unlike many competitive AR muzzle devices, the Accu-Tac has no negative impact on accuracy. Hardened 4140 steel, fits standard, GI threaded AR barrels. Material: Hardened 4140 Steel Thread: 5/8" - 24 TPI Length: 1.990" Diameter: .865" Weight: 2.3 oz. Finish: Black Matte Melonite Caliber: 30 Caliber (6.8 SPC, 300 AAC Blackout, 7.62x40 WT, .308/7.62x51) Bore Diameter .360"

Safety Instruction Guide for AR .308 ACCUTAC FLASH HIDER .30 CAL

Introduction

Thank you for choosing the Wilson Combat AR .308 AccuTac Flash Hider. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read and follow all instructions carefully to minimize risks and enhance your experience.

General Safety Guidelines

- Ensure that the flash hider is installed correctly on a compatible firearm.
- Always handle firearms with care and follow all safety protocols.
- Keep the flash hider and all firearm accessories out of reach of children.
- Regularly inspect the flash hider for any signs of damage or wear.
- Use the flash hider only with firearms that are designed for .30 caliber ammunition.
- If you notice any unusual performance or signs of malfunction, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Wear appropriate eye and ear protection when using firearms equipped with the flash hider.
- Ensure the firearm is unloaded before installing or removing the flash hider.
- Do not attempt to modify the flash hider in any way, as this may compromise its effectiveness and safety.
- Familiarize yourself with the operation of your firearm and the specific functions of the flash hider.
- Only use ammunition that is compatible with the flash hider and the firearm it is mounted on.
- Be aware of your surroundings when firing, ensuring a safe environment and proper backstop.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Muzzle Device:** If applicable, remove any existing muzzle device from the firearm.
3. **Inspect Threads:** Check the threads on both the barrel and the flash hider for cleanliness and damage.
4. **Screw on Flash Hider:** Align the flash hider with the barrel threads and handtighten it.
5. **Secure Installation:** Use a wrench to tighten the flash hider, ensuring it is secure but not overly tight to avoid damage.
6. **Check Alignment:** Ensure that the flash hider is properly aligned and does not obstruct the barrel.

Usage

- Always ensure that the firearm is pointed in a safe direction when firing.
- Follow the manufacturer's guidelines for the specific firearm model regarding the use of flash hiders.
- Monitor the performance of the flash hider during use, looking for any signs of malfunction or excessive wear.

Disposal Instructions

- Dispose of the flash hider in accordance with local regulations regarding metal and firearm accessories.
- If the flash hider is damaged or no longer usable, consider recycling it where facilities are available.
- Do not dispose of the flash hider in regular waste. Always follow local environmental guidelines for disposal.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please reach out to the appropriate contact point within the EU. Always ensure you have the latest information regarding recalls or safety updates.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your Wilson Combat AR .308 AccuTac Flash Hider. Always prioritize safety and stay informed about best practices and regulations. Thank you for your attention to these important guidelines.
