

CZ SCORPION EVO 3 PMAG - PMAG 35 EV9 9MM LUGER 35RD CZ SCORPION EVO 3/3+BLK 10/PACK

The PMAG 35 EV9 is a lightweight, 35-round, 9x19mm CZ Scorpion EVO 3-compatible magazine. The PMAG 35 EV9 provides optimal round stack geometry, giving the large format pistol, PCC, and SMG market Magpul reliability and increased magazine capacity in a pistol caliber magazine. Features include advanced impact-resistant polymer construction, an easy to disassemble design, and a highly impact-resistant floor plate. Additionally, the PMAG 35 EV9 features a rounds remaining capability in the form of capacity indicator windows at 10, 20, 30, and 35-round intervals. A Paint Pen Dot Matrix is provided for magazine identification, and the ridged front and back strap on the magazine body provides a secure grip in all environmental conditions. The PMAG 35 EV9 provides the CZ Scorpion EVO 3 owner the design, reliability and durability expected from Magpul, all at a competitive price point. Features Advanced impact resistant polymer construction 35-Round Capacity Capacity indicator windows at 10, 20, 30, and 35-round levels Highly impact-resistant floor plate High visibility follower Long life stainless steel spring for corrosion resistance Paint Pen Dot Matrix for magazine identification Easy to disassemble design for cleaning Compatibility CZ Scorpion EVO 3 S1 Carbine CZ Scorpion EVO 3 S1 Pistol

CZ SCORPION EVO 3 PMAG 35 EV9 Safety Instruction Guide

Introduction

Thank you for choosing the CZ SCORPION EVO 3 PMAG 35 EV9 magazine. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of your magazine. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the magazine is compatible with your CZ SCORPION EVO 3 model.
- Always handle the magazine with care to avoid accidental discharge.
- Keep the magazine out of reach of children and vulnerable individuals.
- Regularly inspect the magazine for any signs of damage or wear.
- Follow all local laws and regulations regarding the use and storage of firearms and magazines.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the magazine's 35round capacity.
- Ensure that the magazine is fully seated in the firearm before use.
- Only use 9mm Luger cartridges that are appropriate for your firearm.
- Avoid using the magazine in extreme temperatures or conditions that may affect its integrity.
- Do not attempt to disassemble the magazine unless following the provided cleaning instructions.
- Always keep the magazine pointed in a safe direction when loading or unloading.

Instructions for Installation and Usage

1. Installation:

- Ensure your CZ SCORPION EVO 3 is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the magazine well until it clicks into place.

2. Usage:

- Load the magazine by inserting 9mm Luger cartridges into the magazine body.
- Ensure that the cartridges are stacked correctly and that the magazine follower is functioning properly.
- When ready to fire, ensure the firearm is in a safe condition and follow standard firearm safety practices.

3. Cleaning:

- To clean the magazine, first, ensure it is unloaded and removed from the firearm.
- Disassemble the magazine by following the easytodisassemble design.
- Clean the magazine components with a soft cloth and mild solvent. Avoid abrasive materials that can damage the magazine.
- Reassemble the magazine after cleaning and ensure all parts are secure.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations for hazardous materials.
- If the magazine is damaged beyond repair, consider recycling the polymer components where applicable.
- Do not dispose of the magazine in regular household waste if it poses a risk.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your product packaging.

Note: This guide is intended to provide safety information in compliance with the EU General Product Safety Regulation (GPSR). Always prioritize safety when handling firearms and related accessories.
