HEAVY DUTY GUIDED DECAPPER Safety Instruction Guide

Introduction

Thank you for choosing the HEAVY DUTY GUIDED DECAPPER from LEE PRECISION. This product is designed to enhance your reloading experience by providing a reliable and efficient way to decap cases. To ensure your safety and the proper functioning of the product, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always use the HEAVY DUTY GUIDED DECAPPER in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the decapper for any damage before each use. Do not use if damaged.
- Ensure your workspace is clean and free from clutter to prevent accidents.
- Wear appropriate personal protective equipment, such as safety glasses, when using the decapper.
- Be aware of your surroundings to avoid distractions while operating the decapper.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only with Lee Decapping Die 749001565 (90292) to ensure compatibility and safety.
- Ensure that the case mouth diameter is .334 inches or larger for proper alignment and function.
- Always align the case properly before decapping to reduce the chance of bending or breaking the decapper.
- Do not attempt to modify the decapper or use it for purposes other than intended.
- If you experience any resistance while decapping, stop immediately and check for obstructions.
- Follow all local laws and regulations regarding reloading and decapping ammunition.

Instructions for Installation and Usage

1. Installation:

- Ensure that your workspace is clean and organized.
- Gather the necessary tools and materials, including the HEAVY DUTY GUIDED DECAPPER and the Lee Decapping Die 749001565 (90292).
- Attach the HEAVY DUTY GUIDED DECAPPER to the Lee Decapping Die according to the manufacturer's instructions.
- Verify that the decapper is securely fastened before proceeding.

2. Usage:

- Place the case into the decapper, ensuring that it is properly aligned. The caliber-specific rod will assist in this process.
- Pull the handle of the decapping die smoothly and steadily to decap the case.
- If you encounter resistance, stop and check the alignment and for any obstructions.
- After decapping, remove the case and inspect it for any signs of damage.

Disposal Instructions

- Dispose of any broken or unusable parts of the HEAVY DUTY GUIDED DECAPPER in accordance with local regulations.
- Do not throw the product in regular household waste. Instead, check with local waste management

authorities for proper disposal methods for metal products.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the HEAVY DUTY GUIDED DECAPPER, please refer to the manufacturer's website or contact your local distributor. It is important to have access to support for any questions or concerns you may have regarding the product.

By following this safety instruction guide, you can ensure a safe and effective experience with your HEAVY DUTY GUIDED DECAPPER. Thank you for prioritizing safety in your reloading activities.
