

BIG BOY STEEL CARBINE .45 COLT SIDE GATE

[Firearms](#) > [Rifles](#) > [Lever Action](#)

The Big Boy Steel Side Gate hangs its 20" or 16.5" round barrel and checkered walnut furniture on a matte-finished blued steel frame that's drilled & tapped for optional scope mounts, and uses the same adjustable Western-style sights as the standard Big Boy, with the same sliding transfer bar "safety" system in its hammer. Most of the weight savings is due to the steel frame being lighter than a brass counterpart to begin with, and less steel in the thinner barrel walls than an octagon version. To make sure the steel Big Boy stays easy on the shoulder in any of its three calibers, the .357 Magnum/.38 Special, .44 Magnum/.44 Special, and .45 Colt; we use a black solid rubber recoil pad. For hands-free hiking up or down, it wears sling swivel studs; and we've also added a rifle-style fore-end cap instead of the usual carbine-type barrel band. For added versatility, we included a side loading gate and retained the removable tube magazine for easy top-offs, and quick, safe unloading. A perfect choice for the new straight-walled cartridge hunting laws in Ohio, Indiana, Southern Michigan, and those pending in other areas; with its subdued no-spook-em dark finish and easy-to-manuever dimensions, we've got that brand new deer rifle you've been looking for right here.

Attributes

- Name: [BIG BOY STEEL CARBINE .45 COLT SIDE GATE](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 100041670
- Mfr. No.: H012GCR

BIG BOY STEEL CARBINE .45 COLT SIDE GATE

Safety Instruction Guide

Introduction

Thank you for choosing the BIG BOY STEEL CARBINE .45 COLT SIDE GATE. This guide provides essential safety instructions to ensure your safe use and enjoyment of the product. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Always treat the firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Use appropriate eye and ear protection while handling or shooting the firearm.
- Be aware of your surroundings and ensure you have a clear and safe shooting area.
- Familiarize yourself with the local laws and regulations regarding firearm ownership and usage.
- Regularly inspect the firearm for any signs of wear or damage. If any issues are found, do not use the firearm until it has been inspected by a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before cleaning, storing, or transporting.
- Do not use ammunition that is not specifically designed for the .45 Colt cartridge.
- Always use the safety features provided, including the sliding transfer bar safety system.
- Avoid using the firearm in wet or damp conditions, as this can affect its performance and safety.
- Do not modify the firearm in any way that could affect its safety or performance.
- When loading or unloading the firearm, keep the muzzle pointed in a safe direction at all times.

Instructions for Installation and Usage

1. Loading the Firearm

- Ensure the firearm is pointed in a safe direction.
- Open the side loading gate and insert cartridges into the magazine tube.
- Close the loading gate securely.

2. Unloading the Firearm

- Point the firearm in a safe direction.
- Open the side loading gate to allow cartridges to be removed.
- Cycle the action to eject any cartridges in the chamber.

3. Sighting the Firearm

- Adjust the rear sight for elevation and windage as needed.
- Practice at a safe shooting range to become familiar with the sighting system.

4. Cleaning the Firearm

- Ensure the firearm is unloaded before cleaning.
- Use a cleaning rod and appropriate cleaning materials to clean the barrel and action.
- Regularly lubricate moving parts as per the manufacturer's recommendations.

Disposal Instructions

- Dispose of the firearm in accordance with local laws and regulations.
- Do not dispose of firearms in regular trash. Consult local authorities for proper disposal methods.
- Ensure that any unused ammunition is also disposed of safely and legally.

Contact Information for Further Support

For any questions or concerns regarding the BIG BOY STEEL CARBINE .45 COLT SIDE GATE, please refer to the manufacturer's contact information provided with your purchase. It is essential to seek assistance from qualified professionals for any technical issues or safety inquiries.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your BIG BOY STEEL CARBINE .45 COLT SIDE GATE. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
