# OKW18650 Weapons Lights Modlite Systems Safety Instruction Guide

## Introduction

Thank you for choosing the OKW18650 Weapons Lights Modlite Systems. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using the weapon light.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Modlite weapon light by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about product recalls through the EU's Safety Gate platform and report any safety concerns.
- **Online Shopping:** When purchasing online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, you should contact the designated EU contact point, which is provided by the manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

## Specific Safety Precautions for Use

- **Risk of Burns:** The Modlite weapon light can become hot during use. Avoid direct contact with the light head after extended use.
- **Electrical Hazards:** Use only the recommended 18650 battery (KeepPower 3500mAh) and charger (XTAR MC2) to prevent electrical malfunctions.
- **Impact Resistance:** While the Modlite is built to withstand impacts, avoid dropping or subjecting it to severe shocks.
- **Improper Use:** Do not modify the weapon light or use it for purposes other than intended.
- **Water Resistance:** While the product is designed for outdoor use, avoid submerging it in water. Check for any damage after exposure to moisture.

## Instructions for Installation and Usage

### 1. Battery Installation:

- Ensure the weapon light is turned off.
- Unscrew the tail cap from the body.
- Insert the KeepPower 3500mAh 18650 battery into the body, ensuring the positive (+) end is facing the head of the light.
- Replace the tail cap securely.

### 2. Charging the Battery:

- Use the XTAR MC2 charger to charge the 18650 battery.
- Insert the battery into the charger, ensuring correct polarity.
- Connect the charger to a power source and monitor the charging process. Do not leave the battery unattended while charging.

### 3. Operating the Light:

- To turn on the light, press the tail cap switch firmly.

- To turn off, press the switch again.
- The Modlite weapon light can produce up to 680 lumens and is suitable for both indoor and outdoor use.

#### 4. Maintenance:

- Regularly check the light for any signs of damage or wear.
- Clean the lens with a soft, lintfree cloth to maintain optimal performance.
- Store the weapon light in a cool, dry place when not in use.

## Disposal Instructions

- **Battery Disposal:** Dispose of the 18650 battery according to local regulations for hazardous waste. Do not throw it in regular trash.
- **Product Disposal:** When the Modlite weapon light reaches the end of its life, dispose of it in accordance with local electronic waste disposal regulations.

## Contact Information for Further Support

For further support or safety inquiries, please refer to the contact information provided by the manufacturer.

By following these guidelines, you can ensure the safe and effective use of your OKW18650 Weapons Lights Modlite Systems product. Thank you for your attention to safety!
