# Safety Instruction Guide for Badger Ordnance Low Profile Enhanced Bipod Kit with Mount

## Introduction

Thank you for choosing the Badger Ordnance Low Profile Enhanced Bipod Kit with Mount. This guide is designed to provide you with essential safety information and instructions to ensure the safe and effective use of your bipod kit. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that the bipod is suitable for your specific firearm and intended use.
- Always inspect the bipod for any signs of damage or wear before each use.
- Use the bipod only for its intended purpose as outlined in this guide.
- Keep the bipod out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the bipod is securely mounted to your firearm before use.
- Do not exceed the weight limit specified for the bipod.
- Avoid placing fingers or other body parts in the path of moving parts during adjustments.
- Use the bipod on stable surfaces to prevent tipping or falling.
- When using the bipod as a barricade block, ensure that it is secure and stable.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Select the appropriate mount (Picatinny or MLOK) based on your firearm.
- Align the bipod mount with the rail on your firearm.
- Secure the bipod by tightening the mounting screws until snug, ensuring no movement occurs.

### 2. Usage:

- To adjust the height of the bipod, press the leg extension buttons located on the inside of the legs.
- Extend or retract the legs to achieve the desired height (6 to 9 inches).
- Ensure that the legs are locked in place before using the bipod.
- When finished, fold the bipod legs back to the closed position for storage.

## Disposal Instructions

- Dispose of the bipod in accordance with local regulations regarding electronic waste and materials.
- If the bipod is damaged or no longer usable, consider recycling parts where applicable.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the Badger Ordnance Low Profile Enhanced Bipod Kit with Mount, please refer to the included contact information or visit the manufacturer's website.

Thank you for prioritizing safety while using your bipod kit. Enjoy your shooting experience responsibly!
