

CZ P10 ACTION ENHANCEMENT KITS - APEX TACTICAL SPECIALTIES INC CZ P10 ACTION ENHANCEMENT KIT BLACK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The Action Enhancement Kit for CZ P-10 pistols features the Apex Action Enhancement Trigger paired with an Apex Performance Disconnecter and an Apex Slide Cover Plate. The kit is a direct drop-in replacement of the factory polymer trigger, disconnecter and slide cover plate, and provides a reduction in pull weight from sub-4.0 lbs. (w/ Apex Performance Disconnecter) to 5.5 lbs. (w/ CZ Factory Disconnecter). Using the CZ Factory Disconnecter provides a more defined trigger break at striker release (approx. 5.5 lbs.), while using the Apex Performance Disconnecter provides light, smooth take-up and linear rolling trigger break at striker release (approx. sub-4.0 lbs.). NOTE: The Apex Action Enhancement Trigger REQUIRES the use of the Apex Slide Cover Plate. Reduces trigger pull to approx. sub 4.0 lbs. (using full Apex Enhancement Kit) Maintains factory trigger pull weight of approx. 5.5 lbs. (using Factory Disconnecter, Apex Trigger and Slide Cover Plate) Easy to install Direct drop-in replacement of factory components Maintains factory safety values Applicable To What Guns: For use in the CZ P-10 S, C and F 9mm models only. NOT compatible with the CZ P-10 in .45ACP, or with the CZ P-10 Micro For best performance use second generation trigger bar marked "19" or later

CZ P10 Action Enhancement Kit Safety Instructions

Introduction

Thank you for purchasing the CZ P10 Action Enhancement Kit from Apex Tactical Specialties Inc. This guide provides important safety information, installation instructions, and usage guidelines to ensure safe and effective operation of your enhancement kit.

General Safety Guidelines

- Always ensure that your firearm is unloaded before beginning any installation or maintenance.
- Follow all local laws and regulations regarding firearm modifications.
- Use the kit only with compatible CZ P10 models: S, C, and F 9mm. This kit is NOT compatible with the CZ P10 in .45ACP or the CZ P10 Micro.
- Keep the kit and all firearm components out of reach of children and unauthorized users.
- Report any unsafe products or incidents to local authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the Apex Action Enhancement Trigger is used in conjunction with the Apex Slide Cover Plate.
- Be aware that using the factory disconnecter will maintain a trigger pull weight of approximately 5.5 lbs. while using the Apex Performance Disconnecter will reduce it to sub4.0 lbs.
- Always perform a function check after installation to verify that the trigger operates correctly.
- If you experience any issues with the trigger or disconnecter, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather necessary tools, including a punch and hammer for installation.

2. Installation Steps:

- Remove the factory polymer trigger, disconnecter, and slide cover plate from your CZ P10.
- Install the Apex Action Enhancement Trigger in place of the factory trigger.
- Insert the Apex Performance Disconnecter into the trigger assembly.
- Attach the Apex Slide Cover Plate securely.
- Ensure all components are properly seated and secured.

3. Function Check:

- After installation, perform a function check by cycling the action and confirming that the trigger resets and functions as intended.
- If using the factory disconnecter, ensure that the trigger pull weight is approximately 5.5 lbs. If using the Apex Performance Disconnecter, check that it is sub4.0 lbs.

4. Usage:

- Use your firearm in a safe and responsible manner, adhering to all firearm safety rules.

- Regularly inspect the trigger and disconnecter for wear or damage.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of firearm components in general waste. Follow local guidelines for hazardous materials if applicable.

Contact Information for Further Support

For any questions or concerns regarding the installation or usage of the CZ P10 Action Enhancement Kit, please consult with a qualified gunsmith or reach out to the manufacturer for further assistance.

Thank you for choosing Apex Tactical Specialties Inc. We appreciate your commitment to safety and responsible firearm ownership.
