

# T-BONE CHARGING HANDLE FOR 223/5.56 - STRIKE INDUSTRIES T-BONE CHARGING HANDLE FOR 223/5.56 BLACK

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The Strike Industries T-Bone Charging Handle for .223/5.56 AR-15's feature a patented gas redirect system that allows you to configure the gas to exit only left, only right or evenly to both sides. The shaft of the charging handle is machined from 7000 series aluminum which excels in applications requiring lightweight and high strength. However, with comfort and control in mind, the T-Bone latchless handles are made from SI PolyFlex polymer. The handles can be easily swapped with optional (coming soon) different sizes and styles. The latchless feature of the T-Bone gives minimal wear and tear on your AR upper receiver compared to traditional charging handles on the market. The Strike Industries T-Bone Charging Handle for .223/5.56 gives you a modular way to direct the gas and setup the feel and look for one of the most overlooked and essential part of your AR upper receiver. COMPATIBILITY: AR-15/M4/M16 upper receivers NOT COMPATIBLE: AR-10 upper receivers

## Attributes

- Name: [STRIKE INDUSTRIES T-BONE CHARGING HANDLE FOR 223/5.56 BLACK](#)

# TBONE CHARGING HANDLE FOR 223/5.56 Safety Instruction Guide

## Introduction

Thank you for choosing the Strike Industries TBone Charging Handle for .223/5.56. This product is designed to enhance your AR15 experience with its innovative features. To ensure safe and effective use, please read this safety instruction guide carefully. It contains essential information regarding the safe handling, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the charging handle is compatible with AR15/M4/M16 upper receivers only. It is not compatible with AR10 upper receivers.
- Always handle firearms and firearm parts with care and follow all local laws and regulations regarding firearm safety.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the charging handle for wear or damage. Do not use if damaged.
- Be aware of your surroundings and ensure a safe environment when using your firearm.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not modify the TBone Charging Handle in any way. Modifications can compromise safety and performance.
- Always ensure that the firearm is unloaded before installing or removing the charging handle.
- Use proper eye and ear protection when operating your firearm.
- When configuring the gas redirect system, ensure that you understand how to safely direct the gas flow to avoid injury.
- If you experience resistance when operating the charging handle, stop and inspect for any obstructions or issues.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing charging handle from the upper receiver.
- Align the TBone Charging Handle with the receiver and insert it into the designated slot.
- Ensure it is securely in place and functions correctly before proceeding to use the firearm.

### 2. Usage:

- Familiarize yourself with the gas redirect system and its settings (left, right, or evenly distributed).
- Adjust the gas flow according to your preference before using the firearm.
- Operate the charging handle smoothly and avoid using excessive force.

## Disposal Instructions

- Dispose of the TBone Charging Handle responsibly.
- If the product is damaged or no longer in use, it should be disposed of in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the charging handle in general household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the TBone Charging Handle, please consult the manufacturer's website or customer service for assistance. It is important to have access to a support system for any questions related to safety or product performance.

Thank you for your attention to these safety instructions. Your safety and the safety of others is of utmost importance. Enjoy your enhanced shooting experience with the TBone Charging Handle for .223/5.56.
