

T-BONE CHARGING HANDLE FOR 223/5.56 - STRIKE INDUSTRIES T-BONE CHARGING HANDLE FOR 223/5.56 FDE

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The Strike Industries T-Bone Charging Handle for .223/5.56 AR-15's feature a patented gas redirect system that allows you to configure the gas to exit only left, only right or evenly to both sides. The shaft of the charging handle is machined from 7000 series aluminum which excels in applications requiring lightweight and high strength. However, with comfort and control in mind, the T-Bone latchless handles are made from SI PolyFlex polymer. The handles can be easily swapped with optional (coming soon) different sizes and styles. The latchless feature of the T-Bone gives minimal wear and tear on your AR upper receiver compared to traditional charging handles on the market. The Strike Industries T-Bone Charging Handle for .223/5.56 gives you a modular way to direct the gas and setup the feel and look for one of the most overlooked and essential part of your AR upper receiver. COMPATIBILITY: AR-15/M4/M16 upper receivers NOT COMPATIBLE: AR-10 upper receivers

Safety Instruction Guide for TBONE CHARGING HANDLE FOR 223/5.56

Introduction

Thank you for choosing the Strike Industries TBone Charging Handle for .223/5.56. This product is designed to enhance the functionality and performance of your AR15 platform. To ensure safe and effective use, please read this safety instruction guide carefully. It includes important information about product safety, usage precautions, installation, and disposal.

General Safety Guidelines

- Ensure that the charging handle is compatible with your AR15/M4/M16 upper receiver. It is not compatible with AR10 upper receivers.
- Always handle firearms in a safe manner. Treat every firearm as if it is loaded.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage. If any issues are detected, discontinue use immediately.
- Be aware of your surroundings and ensure that the area is safe before using your firearm.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the TBone Charging Handle as intended. Do not modify or alter the product.
- When installing or removing the charging handle, ensure the firearm is unloaded and pointed in a safe direction.
- Avoid using excessive force when operating the charging handle to prevent damage.
- Be cautious of the gas redirect feature. Ensure that you are aware of the gas exit direction to avoid inhalation or exposure.
- Wear appropriate eye and ear protection when using your firearm to safeguard against potential hazards.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, if required, for installation.

2. Removing the Old Charging Handle:

- Pull the rear takedown pin and separate the upper and lower receivers.
- Remove the existing charging handle by pulling it out from the upper receiver.

3. Installing the TBone Charging Handle:

- Align the TBone Charging Handle with the charging handle slot in the upper receiver.
- Insert the charging handle into the slot and push it forward until it is fully seated.
- Reassemble the upper and lower receivers by inserting the rear takedown pin back in place.

4. Testing the Installation:

- Operate the charging handle to ensure it moves smoothly and without obstruction.
- Check the gas redirect system by adjusting it to the desired setting.

Usage Instructions

- Operate the TBone Charging Handle by pulling it back to charge the firearm.
- Adjust the gas redirect feature as needed, choosing between left, right, or both sides.
- Ensure a firm grip on the handle for control and comfort during operation.

Disposal Instructions

- Dispose of the TBone Charging Handle in accordance with local regulations.
- Do not throw the product in regular household waste. Instead, check for specialized recycling or disposal programs for firearm accessories.
- Ensure that any disposed items are made safe and cannot be reused or accessed by unauthorized individuals.

Contact Information for Further Support

For any inquiries or concerns regarding the TBone Charging Handle, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for further assistance.

Thank you for choosing the Strike Industries TBone Charging Handle. Your safety and satisfaction are our top priorities.
